

The 1964 Mercury extends its coverage of the medium - priced market with two new series and a choice of two distinctive roof designs. A sporty four-door hardtop Marauder with fastback roofline (front) will be offered in addition to the unique breezeway models (rear). A two-door hardtop Marauder, which was introduced last Spring, also will be offered. Mercury's two new series are the luxurious top-of-the-line Park Lane and the Montclair. Luxury and performance are emphasized with significant improvement in passenger comfort and spaciousness. The 1964 Mercury's six V-8 engines — two more than last year — range from 250 to 425 horsepower. Now showing the 1964 lines of Mercury is Auto Sales & Service, Inc. in Dunn.

Shady Grove Planning Homecoming

Big plans are now being made for a great crowd that will be attending the Homecoming at Shady Grove FWB Church on October 20. Shady Grove FWB Church is one of the oldest churches within the Free Will Baptist North Carolina State Convention and enjoys having members who live from Maine to Florida.

It is on this yearly occasion that a number of these members with their families gather to renew friendship and to enjoy a wonderful fellowship.

Shady Grove was founded in the year 1850 and today has a membership of 356. Several committees are busy and it appears that the program and the picnic will highlight the events of the day.

Along with speakers there will be special music rendered by various groups. It is planned that this will be one of the greatest events in many years to be held at this church.

The public is invited.

Watkins Is

ministered the oath of office to Watkins soon after his appointment.

Under the law, the assistant coroner acts in the absence of the coroner by authority of the Clerk of Court.

Coroner Warren said today that he felt very fortunate in securing the services of Mr. Watkins, who was highly recommended for the post by various leaders of the county.

Leaf Holiday On Friday

The Dunn Tobacco Market averaged \$60.48 a hundred pounds Wednesday and went over the seven and a half million pound mark in season sales.

Though it was doubted that the eight million pound mark would be reached by tonight, there was every indication the total poundage for the season would go over the eight million pound mark by Monday.

There is a sales holiday Friday. First sale will be at the Big Four Warehouse on Monday morning at 9:00, second at the Planters.

A total of 231,578 pounds was sold yesterday on the market for a total of \$140,047.56. Total poundage for the season through Wednesday was 7,518,721 pounds. The average is above \$60 for this week so far.

Each week the average has showed an increase in the week before. Warehouses in Dunn will remain open over the sales holiday period to receive tobacco for Monday's sales.

Church To Mark 100th Birthday

Pleasant Union Christian Church near Lillington will celebrate its 100th anniversary Sunday, Oct. 13.

Since it was founded Nov. 9, 1863, the original membership of 13 has grown to approximately 250 members.

The members issue a warm invitation to every former member and friends to attend this special homecoming service, beginning with Sunday School at 10 a. m. and church service at 11 o'clock. In the afternoon, after a picnic dinner, an informal musical program will be given.

7 Killed By Falling Steel

EAST LIVERPOOL (UPI) — Seven persons were killed and critically injured Wednesday night when 58,000 pounds of steel fell from a tractor trailer, crushing one car, and the truck then hit another auto near here.

The Highway Patrol said three rolls of sheet stainless steel tumbled from the truck on a curve and one of them crushed a car operated by Judith Ann Lewis, 19, East Palestine, Ohio. She and her four passengers were killed.

Leaf Warehouse Ruling Delayed

SMITHFIELD — Superior Court Judge Q. K. Nimocks Jr. of Fayetteville held a hearing here Tuesday in a tobacco dispute case but delayed a decision for at least a week.

The Fuquay-Varina Tobacco Board of Trade, and a group of warehouse operators had been ordered to show cause why the selling time of the Fuquay-Varina market should not be relocated and divided among all the houses on the market.

Judge Nimocks said both sides will file briefs in the case. He added, "It will be at least a week before I can get through reading the papers."

The suit was brought by Joe Roberts of Roberts' warehouse, which opened this season and Clarence Knott and Kirk Adams, co-operators of the Carolina Warehouse.

Named as defendants, in addition to the Fuquay-Varina Board of Trade, are Sherrill Akin, its president; John W. Dale, vice president; sales supervisor John Wesley Smith, and Arthur Roy and Bill Tally and Dan Grisson, tobaccoists.

The suit asks that the defendants be enjoined from using the allegedly abandoned and unused Tally brothers, Varina, and Brick and Planters warehouses in figuring and allocating selling time on the market.

1,000 Gallon Flora Heads Toward Haiti

SAN JUAN, P. R. (UPI) — Death-dealing Hurricane Flora will cross the western cape of Haiti with 140-mile an hour winds and flooding tides and rain about midnight, the Weather Bureau warned today.

Residents of the island republic were in grave peril from the intense storm which started its course through the Caribbean by wrecking the island of Tobago and killing at least 25 persons.

The San Juan bureau located the storm's center at 11 a. m. EST about 125 miles south of Port au Prince, capital of Haiti, near latitude 18.8 north and longitude 72.4 west. It was moving toward the northwest at about 10 m.p.h. a course and speed it was expected to maintain until it hits the Haitian peninsula.

Lowest pressure in the hurricane's center had dropped to a barometer reading of 27.90 inches.

Taylor, released under \$500 bond, will be tried Oct. 17 in Harpeth Recorder's Court.

The still was well established. Stewart estimated it had been in operation about a year.

A road led from the Marks road to within six feet of Taylor's house, across a field and down to the still operation.

Deputies found a 1,000 gallon still with 25 barrels containing some 11,000 of fermenting beer ready to be run. The scene was ankle deep in empty sugar bags and litter.

Taylor, who denied operating the still, was convicted of liquor operations about two years ago in the Anderson Creek section, he told officers.

Reds Kill

Government rangers were sent to reinforce the two beleaguered outposts. But when they arrived the Reds already had gone back into the jungles and the inhabitants of the two hamlets had disappeared.

Meanwhile, informed sources said Wednesday that U. S. Ambassador Henry Cabot Lodge expressed more concern over the effects of Viet Nam's political crisis on the guerrilla war than did his military counterpart, Gen. Paul Harkin, in their talks with Defense Secretary Robert S. McNamara.

KKK In

The charges stemmed from an attack by Lumbee Indians on a Klan meeting at Maxton, N. C. The influence of the Klan in the state declined sharply following the incident.

Mabe said the Klavern's goals were in harmony with the aims of a White Citizens Council organized here last month, but explained the Klan was "a little more careful about who we take in as members."

Benson Woman

Denning said damage was estimated at \$800 to the Ford and \$1000 to the truck which is used to haul frozen meats.

Mrs. Barefoot was treated at Johnston Memorial Hospital.

TWO-CAR ACCIDENT
Policeman D. M. Cole investigated a two-car accident five miles north of Benson on Highway 50 Tuesday evening.

Driver of the 1963 Buick was a Benson dentist, Dr. W. M. Heeden and operator of the 1963 Chevrolet convertible was Susanne Johnson Benton. Both cars were damaged about \$1000 each.

Katherine McLamp and Kathy Royster were occupants in the Chevrolet.

Honduras

The coup came off only 10 days before scheduled general elections for a new president. Villeda Morales would have completed his six year term a week from next Sunday.

At 10:30 a. m., seven hours after the coup, the situation was still fluid. Civil guard units were reported as backed into the central jail building and resisting fiercely.

Rumors circulated that a military junta had been formed with armed forces chief Col. Osvaldo Lopez Arellano at the head. This could not be confirmed immediately.

Villeda Morales was reported a prisoner in the palace with his family.

Cars with Red Cross emblems raced through the city to pick up the dead and wounded. Most of the casualties seemed to be among the civil guard, which was defending Villeda Morales.
