**A Salute To
 OUR
 FIRE-FIGHTERS**

Some of the finest fire-fighting organizations anywhere, both professional and volunteer, are found in the various towns and communities of Harnett County.

Every hour of the day and night, they stand guard over our property and ready to respond on a moment's notice in the event of a call. Like many of the other things in life, few of us really appreciate the great job they're doing, until we are personally faced with the need for their services. Then

we realize how fortunate we are to have groups who have made the sacrifice of years of training and diligent service. To every one of them — volunteer and career firemen, forest wardens, rescue squads, auxiliary firemen and all the others, we extend a proud salute and say "Thank You."
