VETERAN'S REWARD—The old town pump and its watering trough have been memorialized in new glory in the center of East Sparta, Ohio. Only water supply for the town for 150 years, the landmark was rescued through the co-operation of a leading industry in the area. U. S. Ceramic Tile Co. replaced the crumbling original handmade roof tiles with modern facsimiles. Unfortunately for postmistress Doris A. Kempf and her horse, the renovated watering trough is only a symbol and contains no water.

YES, THAT PREFIX '12R'—ON A LICENSE MEANS IT'S A RENTAL CAR.

SO WE KNOW THAT THE CAR THAT TOOK 'PIGSKIN' PARSON TO HIS DOOM WAS A RENTAL, AND ACCORDING TO HIS MOTHER, A BIG BLACK CAR!

OUR JOB IS TO FIND OUT WHO RENTED THAT CAR THAT DAY.

HOW MANY CAR-RENTAL PLACES ARE THERE IN TOWN, SAM?

OH, BRU-THU!

NO, DOC, I THINK I'LL LET OLGA DO IT. SHE'S BETTER AT VEINS AND HEARTS THAN I AM.
