AIRLINER FOUND; NO SURVIVORS

DUNN PCA EXECS — Pictured here are officials and directors of Dunn Production Credit Association. Left to right are Rev. Sam F. Hudson, President E. E. Seay, Vice President Leland Lee, James H. Withers and Jarvis M. Pleasant. General Manager Herman P. Green is shown at bottom right.

At Annual Meet Here Wed.

PCA Will Mark 30th Anniversary

The Dunn Production Credit Association will mark its 30th anniversary of service to the farmers of Harnett and Sampson counties at its annual membership meeting Wednesday morning at 10 o'clock in the Dunn city hall.

Plans for the anniversary meeting were announced here today by Herman P. Green, general manager and secretary-treasurer of the organization, which has shown rapid growth throughout the years.

County Officers Probe Robbery

Harnett County authorities today were investigating the burglary of the White Swan Trading Post at Olivia, where an undisclosed amount of cash and a quantity of cigarettes were stolen.

Sheriff Wade Stewart said the break-in occurred while the owner, W. E. Olive, is hospitalized following recent surgery.

The sheriff said Deputies Ray Warren, Burnice Temple and Leonard Gregory have been assigned to the investigation.

Burglars forced open a side door to gain entrance into the building.

Sheriff Stewart said the exact amount of money taken — believed to be considerable — and the quantity of cigarettes stolen has not been determined.

If Federal Grants Are Used

Hospitals Must Be Integrated

WASHINGTON (UPI) — By a brief but far-reaching order, the Supreme Court today let stand a lower court ruling that outlaws racial segregation of doctors and patients in hospitals built with the help of federal funds.

The court did so by refusing to review a decision against two Greensboro, N. C., hospitals which had obtained assistance under the federal Hill-Burton Act. Without comment, the court turned down a request of the two hospitals for a high court hearing on the case.

The impact of the action may extend to other states and communities which have used federal grants for hospital construction.

The lawsuit was initiated in 1962 by 11 Negro doctors, dentists and patients in the Greensboro area. The Justice Department later was allowed to participate in the case on the side of the Negroes.

In other actions today, the Supreme Court:

— Upheld by a 6-3 vote a ruling that all of Texas' 23 congressional districts must be redrawn to

Bird Contest Is Announced

Paul Perry, Chairman of Special Affairs for Dunn's Hospital Bond Issue Program, announced today that the "Dunn Mynah Bird," valued at over \$100, would be given as a prize to some lucky youngster, who resides in Dunn, on Saturday, March 28th.

"To win our town's Mynah Bird, the kind gift of H. W. Heath, the boys and girls need do only one thing," said Mr. Perry: "Stop in Campaign Headquarters at 206 East Cumberland Street and put their name and address on one side of a card, which will be provided, and a name for the Mynah Bird on the other side of that same card."

Perry, who is President of Dunn's Chamber of Commerce, went on to say that Mr. Heath has been invited to draw the winning card and make the presentation on March 28th over the radio directly from Campaign Headquarters. In urging the town's children to participate, Mr. Perry said, "Although it is not necessary, I suggest that names for the bird be in keeping with the civic purpose behind Mr. Heath's gift." The Mynah bird will "hold court" at the bond issue office until the March 28th drawing.

Among topics to be discussed at the short session will be the association's new emblem, reduction in credit life insurance rates, the educational loan fund and other matters of interest. The student loan fund is only eight months old, but two farm youths are already attending college through this help given them by Dunn PCA.

\$300 IN DOOR PRIZES — A total of more than \$300 in door prizes will be awarded. The grand prize is a new GE portable television set.

Main offices of Dunn Production Credit Association are located in Dunn, N. C.

85 Passengers Aboard Plane Lost In Storm

TAHOE VALLEY, Calif. (UPI) — The wreckage of a four-engine airliner that vanished in a snowstorm over Lake Tahoe Sunday was found today scattered on a mountain-side. An Air Force spokesman said there were no survivors among the 85 persons who were aboard.

The wreckage of the Paradise Airlines Constellation was found at the 8,000-foot level of the Tahoe-Valley Airport here.

A helicopter sighted the wreckage just east of the California-Nevada line. Several other 'copters prepared to land at the scene.

The plane vanished Sunday after radioing it was over Lake Tahoe and approaching Tahoe Valley Airport on the south shore.

It carried a full load of 81 passengers bound from Salinas and San Jose, Calif., for the ski and gambling resorts at the lake.

The blinding, wind-whipped snow storm in which the craft disappeared grounded search craft Sunday and during the night. Clearing weather this morning sent 50 Air Force, Navy and civilian aircraft into the air.

George Carroll Opens Big Sale

George Carroll, Dunn's five-wire Chevrolet dealer, today announced plans for a gigantic Chevrolet sales event to be held during the entire month of March.

"Sharp Pencil Days" is the name of the sales event, designed to move out new Chevrolets, Chevies, Chevy II's, Corvairs, new trucks and new and used cars and trucks faster than the March wind.

Pointing out that business is good, Mr. Carroll said, "We intend to keep it that way. We intend to continue our record — breaking sales pace regardless."

In order to do that, he went on to explain, every member of the sales force at George Carroll's Chevrolet has sharpened his pencil and will offer these cars and trucks "at record-bustin' low prices."

Mr. Carroll's announcement also proves that he's good at writing ad copy, too, as well as a super salesman.

Here's how he tells the story in (Continued on Page 6)

So He Can Keep Ponies

This Man Wants Out

With all the talk and activity of Towns and Cities about growth, expansion, annexation, urbanization, and other such expressions, the Dunn Town Board will have things in reverse at their next meeting on Wednesday night when a local resident is expected to ask to have de-annexed, or removed from within the Dunn city limits, a 15,000 square foot portion of lot adjoining his house, so that he can keep a pony on this de-annexed portion.

Ponies are prohibited by ordinance in Dunn. Another town ordinance, which might later rise to plague this citizen, is that when an area which is outside the Dunn city limits becomes entirely surrounded by areas in the city limits, then the portion, outside the city limits, if that area is to use or continue to use town water and sewer facilities, Any area contiguous or adjoining the Dunn city limits has to first come into the city limits before it can use city water and sewer.

News Roundup

NEW YORK (UPI) — Mrs. Susan Edwards Wagner, 54, wife of Mayor Robert F. Wagner and first lady of New York since 1954, died today at Gracie Mansion of cancer.

WASHINGTON (UPI) — The Association of American Railroads offered a \$100,000 reward today for information leading to the arrest and conviction of saboteurs who dynamited a Florida East Coast Railway freight train Feb. 26.

WASHINGTON (UPI) — The Senate passed by voice vote today a \$115 million bill to extend the life of the Peace Corps and allow it to expand to at least 14,000 volunteers by the fall of 1965. (Continued on Page Six)

Will Seek Fourth Term In Senate

Sen. Morgan Says He Will Run Again

State Senator Robert B. Morgan of Lillington, just before flying to New York late Sunday night for two weeks special duty as a Lieutenant Commander in

the Naval Reserves, said he definitely will be a candidate for reelection.

Morgan, who served with the famed Task Force 77 in the Far

East during the Korean War, was legal and combat information officer aboard the U.S.S. Valley Forge.

He said Sunday night that he will make a formal announcement of his candidacy after his return from special duty at the Navy's 90th Street Pier in New York.

Now only 38 and already a veteran in the Senate, Morgan served in the regular session of 1955, 1959 and 1963 and in two special sessions, 1956 and 1963. He was the only member of the Senate to hold two committee chairmanships during the 1963 session.

Four years ago, Morgan served as State campaign manager for gubernatorial candidate Dr. I. Beverly Lake and is a regional manager in Dr. Lake's current campaign.

It's no secret that I intend to run again," said Senator Morgan. "I've been telling friends that all along. I had hoped to be able to make a formal announcement before leaving for New York but will do so on my return."

Declaring that the people "have been mighty kind to me in the past," Sen. Morgan said he was particularly grateful for pledges of support he has received in the four other counties of the new 18th District.

NEW SETUP THIS TIME — The Harnett legislator will be running as a candidate at large (Continued on Page Six)

Youth Charged After Crash

Larry Troy Stewart, 18, of Dunn, Route 4 was charged with failing to yield the right-of-way as the result of an automobile collision here Saturday night in which he and the driver of the other car received minor injuries.

City policemen Tommy Frix and Sherrill Allen, the investigating officers, said the accident occurred about 9 o'clock at the intersection of Pope and Elm when Stewart failed to see a stop sign and traveling on Elm, ran into a 1962 Ford operated by Rudy Clifton Lee, 17, of Dunn, Route 5, headed east on Pope.

Lee's car and the 1956 Pontiac driven by Stewart were marked off as a total loss.

Both were treated at Betsy Johnson Memorial Hospital and then released. Stewart received a back and leg injury and Lee was injured about the head.

Popular Youths Shot From Ambush

Student Shooting Being Investigated

Deputy Sheriff Carson Hall said today that he plans further investigation into a mysterious shooting in which two popular Dunn High School students were peppered with gunshot from ambush.

Wounded in the shooting were Kenneth Price, 17, son of Mr. and Mrs. Hallie Price, and Kelly Bledsoe, 17, son of Mr. and Mrs. A. O. Bledsoe.

Both youths were admitted to Betsy Johnson Memorial Hospital here as a result of the shooting. Hall said from 50 to 75 buckshot must have struck them, some lodging in Bledsoe's face and head. About 35 struck Bledsoe and about a dozen lodged in Price.

Neither was injured seriously, however. The two boys told city policemen Tommy Frix and Sherrill Allen, first to arrive on the scene, that they were riding with Larry Neighbors when the automobile developed trouble.

Were Fixing Car — As they were standing in the road trying to fix the car, they said, they heard something that sounded like a shotgun blast and all of a sudden the two boys felt the pain and were bleeding. They were rushed to the hospital.

The shooting occurred on the old Howard's chicken farm road, near (Continued on Page Six)

THESE LITTLE THINGS

By Hoover Adams

DUNN POLICE, A MULE, MRS. O'BRIEN, POLITICS, ETC., ETC.

Back during World War II, British Lt.-General Sir. F. A. M. (Boy) Browning of Her Majesty's Royal Airborne Forces visited the late Major General William C. Lee in Dunn on two or three occasions.

Sir Gen. Browning was commander of Great Britain's airborne forces and Gen. Lee was commander of America's airborne troops. The two became close personal friends as well as partners in making war on the Germans. They visited back and forth at the Lee home in Dunn and the fabulous Browning estate out from London.

In addition to being a three-star general and head of the British Empire's airborne forces, Sir Gen. Browning happens to be a second cousin of the late King George. Since the war, he has served as treasurer to Prince Philip. He's also the husband of Daphne du Maurier, the author whose books are now household words all over the world.

During his visits to Dunn, Sir Gen. Browning made friends with Dr. Randolph Doffermeyer, Bob Young, Dr. Glenn Hooper and any number of other local citizens. Mrs. Dava Lee, the General's widow, still hears from the famous couple. They may be interested to learn that the other day the Browning's son, Christian, married a very pretty English maiden.

But the son didn't marry royalty at all. He married the daughter of a London plumber. And, believe it or not, they were married in the Roman Catholic Church of Adam and Eve.

LITTLE NOTES: Dunn policemen are called on to perform all sorts of duties. At 3 o'clock this morning, Sgt. Joe Davidson and Policeman A. H. Ivey, Jr. were out chasing a mule off Highway 301. A tourist reported that he almost collided with the critter. Friends are urging Willard Mixon of Pope & Mixon Building Supply to make the race for county commissioner. As yet, Mix hasn't said "yes" or "no."

Incumbent Commissioner Fred M. Byerly, who announced his candidacy for the post last week, made it official this morning by paying his fee to Chairman Dougald McRae of the Harnett elections board. Ken Black, the former dog warden, has also filed for commissioner in Ward 4, the post now held by Commissioner Worth Lee Byrd of Lillington, who is expected to run again but hasn't (Continued on Page Six)
