Letter To The Editor:

An open letter to HON. K. W. KENDALL EDITOR OF GREENSBORO DAILY NEWS GREENSBORO, N.C.

Your June 26th and 27th voice put your paper on the line and history will render the verdict. How can you be so bitter? You have thus sought to injure and damage Dr. Lake, the man some 180,000 in 1960 and some 217,000 in 1964, May 30th voted him the best man for governor. While I have been in the Moore camp from the beginning about September 1963, I have at all times considered Dr. Lake a fine, good and able Christian gentleman, and have many, many times so publicly stated and have no regrets and make no apology. You have been used, many think, to help Judge Preyer as well as Dr. Lois Edinger and Dr. Huggins, and I have so advised you all by letters.

In my book a good paper in part should be: A. Temperate, B. Fair, C. Reasonable, D. Responsible, E. Considerate, F. Force for a better society. Lets hope you will take another look and produce a better paper.

The problems of N.C. are many and varied. Education yes but there is with us crime and lawlessness and poverty just to begin the roll call. Regardless of what many think the race issue is the No. 1 problem presently facing the state and we might add the USA. Further the civil rights bill is little more than the "Yankee voice crying in the Southern wilderness."

Lake men 180,000 in 1960 remember or have been reminded. 1. The Kennedy-Sanford Wake County meeting and its possible money feature. 2. The 1960 Negro block vote. These two items cause many to think they defeated Dr. Lake 1960. 3. There is the further Sanford Los Angeles affair. All three of which have caused many to long ago lose faith and confidence in Gov. Sanford. While much of the Gov. Sanford program is good, the result has been injured and damaged by this lack of faith and confidence in the author.

Many feel that the campaign voice has been that of Judge Preyer but the hand has been that of Gov. Sanford. A sort of Isaac-Jacob-Esau affair. Thus to many Judge Preyer has been little more than the pawn of Sanford and Negro block voters. Further the state wide Negro vote block pattern has disturbed many and they ask how can the race issue be better solved by one who must owe so much to the May 30th vote?

Lets hope that the last four years have brought understanding and knowledge and that we will be better prepared to make a better state.

Sincerely yours,  
Walter Lee Johnson  
Lillington, N. C.

(Editor's Note: The verdict is now in. The Greensboro editor, we are sure, received it strong and clear. Like many liberals, however, he may not heed the voice of the people.)

Trinity Concludes Bible School

Daily Vacation Bible School was held at Trinity A.M.E. Zion Church. The theme was "Jesus, The Promised Saviour."

The youth of the church were in charge of the devotionals each morning and the opening devotional message was given by the pastor, Rev. M. F. Ward.

Teaching the classes were Ruby Robinson, Sandra Jacobs, Laura Elaine Smith, beginners; Mrs. N. C. Baldwin, Primary; Mrs. P. T. Massey, juniors; Miss L. L. Culbreth, intermediate.

One of the speakers during the week was Mrs. Mary B. Burke, a public school teacher from Georgia.

Commencement exercises were held at the close of the school. Each department gave a summary and had a display of its work which included Bible study, arts and crafts and music.

Perfect attendance awards and awards for outstanding Bible work were presented by the pastor.

Refreshments were served everyday. Sandra Howard was secretary of the school, Helen Robinson organist and Miss L. L. Culbreth director.
