History will repeat itself on **THE JOEY BISHOP SHOW**. Joey's series wife, Abby Dalton is expecting again, and Joey's writers are furiously rewriting scripts to make her condition part of the plots, just as they did two years ago when Abby had her first child.

There's a new western stager in a remote Hollywood night spot who calls himself Bo Nanza!

It can now be told that James MacArthur was the first choice to play **DR. KILDARE** until an executive just happen to screen a flop western pilot and was impressed with the star - Dick Chamberlain.

Funny how TV stars who are nowhere near the Top Ten in the ratings pack them in on personal appearances. Jack Lord has made a half-million dollars in rodeo appearances since his poorly-rated **STONEY BURKE** flop and Johnny Carson and James Dean drew record crowds last month with their simultaneous Las Vegas debuts.

Edyie Gorme and Steve Lawrence always said they wanted four children. So now they are expecting their third.

Tim Considine and Don Grady, of **MY THREE SONS**, got their start on television on **THE MI-CKEY MOUSE CLUB**.

Dean Martin will make his television dramatic debut in a **RAWHIDE** episode in the coming season.

Jim Backus will be in two new shows on two networks, one after the other on Saturday nights. He'll provide, as usual, the voice of the myopic hero

of the cartoon series **THE ADVENTURES OF MR. MAGOO**. at 8 p.m. and at 8:30 he'll portray one of seven castaways in **GILLIGAN'S ISLAND**. A millionaire who sees no reason to discontinue lush living just because he happens to be shipwrecked.

Shirl Conway, star of **THE NURSES**, was a cover girl on a issue of Redbook magazine during her first year in New York after college.

Meredith Wilson has signed a new two-year pact, so you can bet there'll be more Wilson's specials next summer and the summer after that.

Dick Peabody, who plays Little John on **COMBAT**, is the fifth cousin of Gov. Endicott Peabody of Massachusetts and the town of Peabody is named for his father's family.

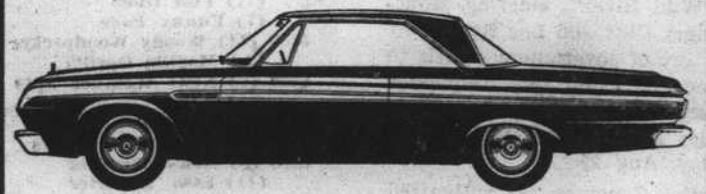

**Real Life**

the "Maggie" whom the viewers admire so much, actress Ann Williams, will be a real bride in real life in September.

This week Mrs. John O. Williams of Arlington, Va. has announced the engagement of her daughter, Ann, to Robert D. Welch, son of Thomas J. Welch and the late Mrs. Welch, of Boston, Mass. The bride-groom-to-be is president on the investment counseling firm, Westly-Wallcof Inc. The marriage will take place Sept. 19 in St. Paul's Church in Manhattan. Ann's father, the late John O. Williams, was an agricultural scientist with the U. S. Department of Agriculture.

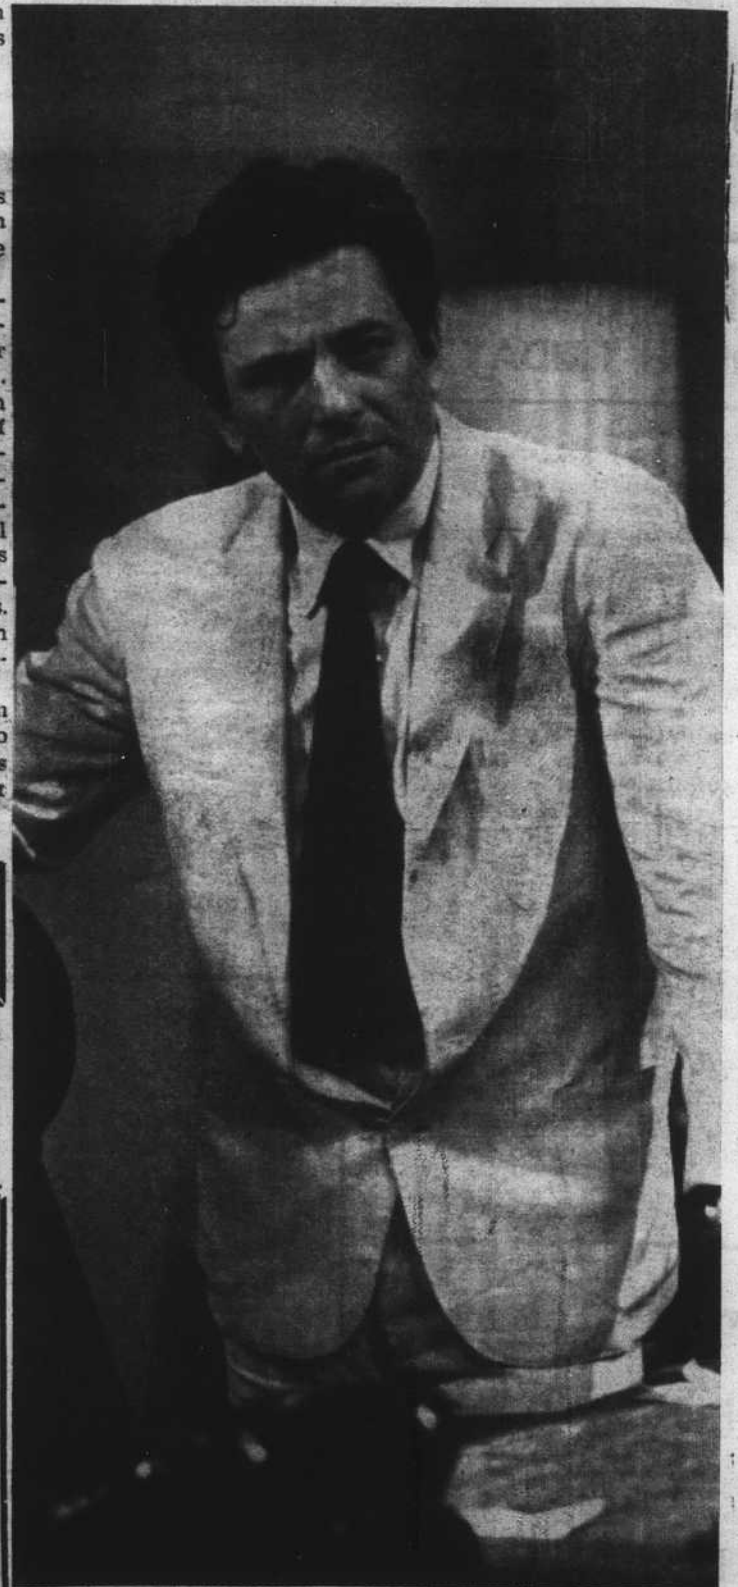

But what about "Matt"? In real life, James Pritchett, who plays "Dr. Matt Powers" is happily married and the father of two little girls.
