The Basic Side

IT'S that time again... the time that challenges anew an army of vigorous American youth to the task of preparation in basic education that will equip them with know-how for their tomorrows. Here young minds fresh from their bowl of wheaties, assemble for classroom and playground training. Dear Teacher, responsibility lies heavy on your shoulders. Don't forget that along with reading and writing and arithmetic—lessons in how to live God's way are needed. Teachers and students alike have God to honor and your country to save right there in your classrooms. Always remember, "A word fitly spoken is like apples of gold in pictures of silver." Proverbs 25:11. Blending of the academic with the spiritual lessons of Jesus, the greatest teacher, offers a moral and spiritual constitution possessing all the qualities basic in life.
