

Dunn Hi-Lites

By Melanie Johnson

After an exciting, fun-filled summer, it seems awfully hard to reconcile oneself to homework. School books have been issued, however, and approximately 600 DHS students have eagerly (?) returned to get down to the serious business of studying.

To our faculty we welcome six new teachers: Miss Janice Guyton - Typing and Bookkeeping, Mrs. Margaret Payton - English, Mr. Bruce Butler - Agriculture, Mr. Robert Farrell - English and World History, Mr. Clarence Connors - Algebra and General Math, and Mr. William Gerald Smith - Geography, General Business and World History.

Monday Juniors were measured for the all-important class rings! This year's class voted to have the same ring as several previous classes have had. The ring will have a green spinelle stone and an Old English "D".

Tuesday afternoon, during sixth period, Mr. David Williams entertained the student body with "Liquid Air." If you don't believe it was fascinating, just ask Martha Johnson or Steve Carver.

The Freshman Class elected its officers this week: President - Jack Byrd, Vice-President - Joe Smothers, Secretary - Susan Campbell, and Treasurer - Connie Johnson. Joy Freeman, Robie Butler and John S. Hickland were chosen to represent the Freshman Class at Student Council meetings.

Representing other classes are Diane Corbin and Brent Godwin. Sophomore, John Thornton, Laura Truelove, and Perry Lewis, Juniors.

The council should do an extra good job this year, since three of its officers attended a workshop at Mays Hill during the summer.

Everybody say, "Cheese." School pictures were taken yesterday. Under classmen really did look sharp. Girls wore button-down collar blouses and dark V-neck sweaters; boys wore dark blazers

and solid ties. Eligible for Morehead Scholarships are - Terry Brinkley, Bailey Barefoot, and Jonathan Hill. Good luck to you!

A very different Pep Rally was held last night by the Varsity Cheerleaders. Tonight we'll see how effective "watching trains" at the train station can be for boosting our fine team on to another victory.

Last week's victory ribbon told us to "Make Oxford Proud." The mighty Greenwades did just that with a score of 13-6. Everybody come out to watch our great team "Mar Out Midway" on the home field tonight at 8:00.

Overheard in sixth period English III class: Mrs. Weeks was telling her class how important it is to have a large vocabulary. "I assure you, if you repeat a word ten or twelve times, it will be yours forever." On the back row a cute, blond girl took a deep breath, closed her eyes and whispered, "Johnny, Johnny, Johnny."

Two D.H.S. girls seem to have developed quite a controversy over a certain Campbell College student.

Beverly Marshburns seems to be doing a lot of business with the federal government - post office - that is. Wonder why? Will your S'antion Cadet be able to make it home for the State Fair? Thought - Girls have an unfair advantage over men: if they can't get what they want by being smart, they can get it by being dumb.

FATHER BURIED

Funeral services for William Walter Brown, 74, of Eastwood Park Community near Albermarle, were conducted at 3 p. m. Friday afternoon at Dunn's Grove Baptist Church. Rev. James Barnes, assisted by the Rev. R. C. James, officiated and burial was in Fairview Memorial Park. Survivors include a daughter, Mrs. Paul Blackmon of Erwin.

McLamb

court's orders. She claims her husband's marriage to his present wife is not legal because the divorce order had not been signed at the time of the rites.

McLamb's attorney argued he could not possibly be guilty of contempt since the order regarding custody had never been put in writing and signed. Mrs. McLamb's lawyer argued that the verbal court order was binding, but Judge Morgan dismissed the action in view of the misunderstanding.

"The important thing," said the judge, "is what is best for the children." He ordered the welfare department to investigate conditions at each home and the custody issue will be decided in two weeks.

Guard Alert Is Scheduled

If, in the near future, you see members of the local National Guard unit running around in full uniform, with weapons and equipment at the ready, do not be alarmed. It will probably be a practice alert.

The local Guardsmen received word this week to be ready at any time for a practice alert as part of their regular training duties.

The alert will be two-hour drill. It will simulate the measures to be taken to protect your home town should an emergency arise. Local commanders are being instructed by State Guard Headquarters to prepare plans of defense for the town in which the armory is located.

The purpose of the practice alert is to give all commanders an opportunity to determine the adequacy of their Alert Plans and procedures.

The alert will affect all units of the 1st Brigade, 39th Infantry Division, which has headquarters at Statesville. The Dunn National Guard unit is part of this Brigade, as Company C (IP), Battalion, 118th Infantry, N. C. Army National Guard.

Mrs. Virginia Lee presided. It was reported that 71 visits to sick persons had been made by members during the month and a number of convalescent cards sent to shut-ins.

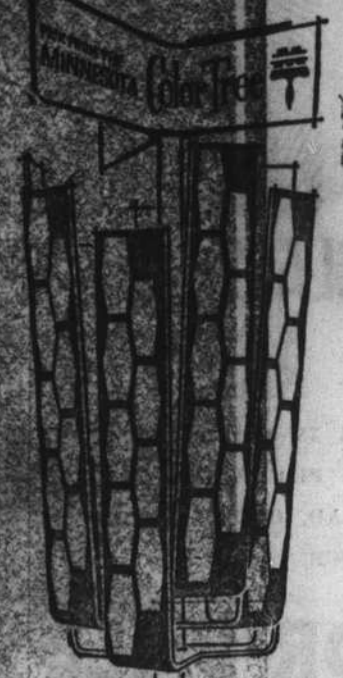

Plans were made for the annual barbecue meals to be served on Friday, October 4, for which various committees were appointed.
