MRS. BRITT FOURTH GRADE

THE MOON
If I go to the moon
In a rocket,
I will take my gun
In my pocket.
While I am out in space
I'll give a monster a chase.
Then I can use my gun,
Do you think - I will have fun
Michael Godfrey

MOON
If I go to the moon
In a rocket,
I will take a flashlight
In my pocket.
If the moon is dark
I will need a light.
If I see a monster
It will be a strange sight!
Debbie Hamby

MARS
If I go to Mars
In a rocket
I will take a picture
In my pocket
In my pocket
I will carry
A picture of
My brother Terry!
Wanda Crumpler

THE MOON
If I go to the Moon
In a rocket
I will take a Coke
In my pocket.
It will be safe
To drink a Coke
But it would be dangerous
To try to smoke!
David Butler, Jr.

THE MOON
If I go to the moon
In a rocket
I will take a gun
In my pocket.
With my gun
I will have fun.
If space creatures are around
I will try not to make a sound.
Tommy Hobson

A VISIT TO THE MOON
If I go to the moon
In a rocket,
I will take a gun
In my pocket.
If I see a monster
I will use my gun.
This will scare me-so much!
Do you think I'll have fun?
Sandra Bass

MOON
If I go to the moon
In a rocket
I will take a banjo
In my pocket.
I wonder how music
Will sound on the moon
Do you think we will know
Anytime - soon?
Michael Landen

THE MOON
If I go to the moon
In a rocket
I will take candy
In my pocket.
Out in space
With candy so sweet
I will be oh! so friendly
With the people - I meet.
Patricia Gainey

THE MOON
If I go to the moon
In a rocket
I will take a balloon
In my pocket.
With a balloon
I will test the air
If the balloon floats
Air will be there!
Tom Hutaff

THE MOON
If I go to the moon
In a rocket,
I will take a spoon,
In my pocket.
When I get to the moon,
So far out in space,
I will be sticky
To find my face.
Nicki Summers

MOON
If I go to the moon
In a rocket,
I will take a gun
In my pocket.
I don't know why
I'll take a gun.
There will be nothing
To shoot.
But I will have fun!
H. W. Griffin

A TRIP TO THE MOON
If I go to the moon
In a rocket
I will take food
In my pocket.
There are no stores
On the moon
And I know I'll get hungry
So very, very soon!
Rochell West

MOON
If I go to the moon
In a rocket
I will take my doll
In my pocket,
She is my girl!

THE MOON
If I go to the moon
In a rocket,
I will take a space gun
In my pocket.
If I see a monster
It would not be fun
Because I would have to
Use my little space gun,
Jane Roberts

THE MOON
If I go to the moon
In a rocket,
I will take a flash light
In my pocket.
Since the moon
Shines by reflected light,
It will be, fun
To get there at night.
Karen Allen

THE MOON
If I go to Mars
In a rocket
I will take a spacegun
In my pocket.
I will take a spacegun
To shoot - if I need it.
Would you like to go?
We will have fun - I know.
Larry Tart

MOON
If I go to the moon
In a rocket -
I will take food
In my pocket.
I can't buy food
on the moon -
So I'll be ready
To eat at noon.
Marvin Daniels

TO MARS
If I go to Mars
In a rocket -
I will take a Bible
In my pocket.
If I land
On the moon
I'll read my Bible
Until noon.
Tony Stevens

THE MOON
If I go to the moon
In a rocket
I'll carry food
In my pocket.
I haven't read
about stories on the moon
So if I get hungry
I can eat before noon.
Cindy Byrd

MARS
If I go to Mars
In a rocket
I will take some toy cars
In my pocket.
Why I like Mars
Is because it is red.
I will play with my cars
When I am in bed.
Eddy Jackson

THE MOON
If I go to the moon
In a rocket -
I will take a knife
In my pocket
If a spaceman comes near
We will not fight -
My knife is for monsters
Now isn't that right?
Brenda Beasley

THE MOON
I will go to the moon
In a rocket
I will take my gun
In my pocket.
If I see a wild cat
I will take out my gun
And shoot bang bang
And I will have fun.
Gail Webb

MARS
If I go to Mars
In a rocket
I will take my pin
In my pocket.
I'll take my pin
Because it is so pretty to see -
Would you take a pin?
And act just like me,
Donna West

TRIP TO THE MOON
If I go to the moon
In a rocket -
I will take a suit case
In my pocket.
In my suit case
I will carry
a lot of clothes
and a picture of Larry.
Anne Blalock

THE MOON
When I go to the moon
In a rocket -
I will take a spoon,
In my pocket.
When I go to the moon
I will eat a nab
Then I'll feel fine
and work in my lab.
Dale Thomas

THE MOON
If I go to the moon
In a rocket
I will take my doll
In my pocket,
She is my girl!

We have lots of fun,
Playing a game.
Called - Indians
Debra Strickland

IN SPACE
If I go into space
In a rocket,
I'll carry a book
In my pocket.
The reason I will carry
A book,
Is because of the pictures
At which I could look.
After I have finished
The book all through,
I'll be glad to share it
With you - and you - and you.
Marna Altman

THE MOON
If I went to the moon
In a rocket
I will take a space gun
In my pocket.
I will shoot my gun
at anything.
If it sounds terrible
Or flaps its wing.
Ray Coats

THE MOON
If I go to the moon
In a rocket,
I will take my cat
In my pocket.
My cat and I
Will be as light as a feather.
When we walk around
We will spring over the ground.
Sandra Jackson

President Of Bolivia Flees

LA PAZ, Bolivia (UPI) — President Victor Paz Estenssoro fled Bolivia today and fighting broke out in the capital where his followers resisted efforts of a military junta to take over the government.

Army planes bombed and strafed headquarters of Paz National Revolutionary Movement (MNR). Armed civilians shot their way into government buildings and seized them. War-planes bombed government holdouts in entrenched positions in suburban La Calacota. Six persons were wounded in a mob attack on the cable office. Followers of Paz cut telephone service inside the city.
