FOR A DREAMY CHRISTMAS

Nightgowns, pajamas, peignoirs and intimate apparel tell a brand new story for Christmas. It's a tale of ruffles and lace, culottes and jumpsuits, sheer fabrics, softness and ultra femininity.

This is the year of the big plunge in nightgowns... the daring décolletage... bared in front, or bared in back, and prettiest when softened with a bow and a frill of lace.

(Left) For lazy, lounging evenings at home, Miss Siren fashions a gown and peignoir with layers of nylon tulle crowned with lace. Shaped to the body in front, the Empire gown and peignoir are alluringly feminine in white tulle of Enka nylon.

(Right) A cloud drift of sheer nylon floated over opaque nylon sets the stage for a delectable Grecian gown. It's topped by a floating peignoir that's a breeze to care for.

For Christmas gift-giving, E. Greenwald & Sons have designed a wonderful collection of gift items... fashioned of Enka nylon tulle for easy care.

Fashion gifts take on an added personal touch when they are initialed or monogrammed. For example, "Initially Yours," a half slip and panty set comes with a circular monogram insert that's certain to delight any female. It's gift packaged in a plastic case with handles.

Santa brings another novel gift, shown in the right photograph above... three pair of lace trimmed, nylon bikinis beautifully packaged in a colorful music box.

Everywhere, on the lingerie scene, there is something new, something bright, something lovely. For Holiday '64, say "Merry Christmas" with lingerie and loungewear.
