CEASE - FIRE AGREEMENT REACHED

Heavy Fighting Is Reported Still Going On

By WALTER LOGAN United Press International
Pakistan and India bowed today to a United Nations demand for a cease-fire effective at 6 p.m. EDT but heavy fighting was reported still underway in West Pakistan.

The crisis between India and Communist China also eased and an immediate confrontation appeared to have been avoided when Peking announced India had complied with its ultimatum to dismantle military bases on the border.

Indian Prime Minister Lal Bahadur Shastri defiantly announced in Parliament, however, that Indian troops have been ordered to drive Chinese Communist forces from border areas in the Himalayas.

"Our armed forces have been instructed to repel the aggressors," Shastri said.

An official spokesman for the Indian Defense Ministry denied the Chinese report India had dismantled the bases. He said this was impossible because India had installations in Chinese territory.

"If any installations have been demolished on the Chinese side of the border obviously the Chinese themselves must have done it," he said.

On the war front, the government-owned All India Radio said three more Pakistani F-86 Sabres were shot down today in the Sialkot-Kasur sector of West Pakistan and that Indian forces were only four miles from the Pakistan military base of Sialkot.

Romance, IBM Style

DAVIDSON (UPI) — Freshman day's football game with Presbyterian College. "Great" was the reaction of fortunate freshman Cader Howard of New Bern. "My date from Convers was a real Southern belle from Charleston, S. C."

While freshman John Napier of Bennettsville, S. C., was satisfied with his blind date, he noticed she "was wearing an engagement ring." And one dissatisfied freshman remarked: "Ugh. Obviously my date lied about her looks. If that's my type of girl, I'll stay single."

The students were matched for a Sept. 11 dance and last Saturday's football game with Presbyterian College.

LAS VEGAS, Nev. (UPI) — A football player who married the former high school and college prettiest girl of her class in North Carolina shot and killed the showgirl when an attempt at reconciliation failed, police said today.

Police said Thurman Spach, 29, a former lineman at Wake Forest College, was arrested on suspicion of murder in the death of his estranged wife, Martha, 28, Tuesday night.
