

Named Coach of the Year

Coach Bradham Gets Top Honor

Another high honor came recently to the coaching staff of Dunn High School when Head Coach Whitney Bradham was named "Coach of the Year" in the Southeastern Conference for 1965.

He was selected by the coaches of the conference.

Bradham has been the head coach at the local high school for seven years after serving as assistant coach under Jim Brown for two years.

He came here as an assistant after his graduation from Eion College where he starred as halfback under Coach Sid Varney.

In his seven years as coach at Dunn High School, "Whit" has a record of 41 wins, 24 losses and 4 ties. His 1965 team stormed through a perfect season with 10 straight wins until they lost 7-0 to Tarboro in the first round of the regional

Mrs. Lela Smith Given Recognition

(By Mrs. Eva Minter) Soft-spoken, smiling and winsome Mrs. Lela M. Smith quickly lets anyone know that she enjoys her work as an aid at the Harnett High School, her Alma Mater, this being her second year in this capacity.

Along with her co-workers, Mrs. Mae Della McKay and the Custodian Mr. Edward Maynor, the three persons quickly and quietly move about the huge plant doing their best to keep things neat, orderly and attractive which adds beauty, health and comfort to all concerned.

Mrs. Smith long time employee at a local hospital is happy over the fact that she does not have any Sunday chores connected with her new area. Because of this she can be seen filling her place as a member of Dunn Chapel Church's Gospel Choir No. 1 each third Sunday morning in the month.

Mrs. Smith has the distinction of being the youngest person to serve on the Mother Board of her Church (years ago the very oldest women in the church were elected). The mothers, according to the ritual in her church, are to make the necessary preparation for the Lord's Supper and settle delicate cases between the sisters. In this role, Mrs. Smith plays her part well.

Mrs. Smith, Mrs. McKay and Mr. Maynor all have a kind word for the principal and teachers and the students. Because of this great love has been kindled toward the three.

Mrs. Smith, a devout Christian, doesn't mind anyone knowing that she represents the principles laid down by Jesus Christ. Instead of finding fault or criticizing, Mrs. Smith counts her blessings.

Immediately after her marriage to Lester Smith around twenty years ago, Mrs. Smith's ardent desire was to possess a home of her own.

The modest couple's dream came true when they erected a fashionable home on Jackson Street.

Those who visit Mrs. Smith find warmth and acceptance within her bounds.

Families Help

The need is great and continues to be. In the work of Red Cross we have the position to see this need. We pledge to you our continued efforts to serve the entire County; those in need and the more fortunate. If it is in your plan to next year have another "Food Program", we trust you will let us help.

"Report: 1965 Cans and packages of food were donated. 175 items of clothing were donated. (56) from Magnolia venue School; 708 from Wayne Avenue School; 720 from Dunn High School. (The 175 items of clothing was total from all schools)

"Winter is with us. The need for fuel is here. Many families do not have fuel. We know who they are. We are today starting a fund called "WARM FEELING", contributions will be used to purchase Coal and Blocks to burn. If this project interests you, will you help? Thanks very much."

church, taxes on their salaries and supply ministers to serve during the pastor's absences account for a total of \$24,764.12, or nearly 40 per cent of the entire operating budget.

Members of the budget committee pointed out that the church is extremely fortunate in having one of the outstanding Baptist ministers of the State and recommended that his salary be raised \$900 a year, from \$7,500 to \$8,400.

The budget also provides another \$1,764.08 in fringe benefits for he pastor, an additional \$500 for his convention, expenses, \$250 for supply pastors to serve during his six weeks of vacation and preaching away from home. He is also furnished a passbook and utilities, a secretary office, etc.

The Rev. Mr. Freeman was nominated for president of the State Baptist Convention at the recent meeting in Charlotte and is regarded as one of the outstanding pastors of the South.

Other Salaries Mrs. Dawson, the church secretary, received a raise of \$600 to \$3600 a year. Other salaries approved were: Curtis Ennis, treasurer, \$1,200; J. N. Yates, financial secretary, \$600; Mrs. Charlie Upchurch, organist, \$420; Ernie Black, choir director, \$1200. The office of minister of education, at a salary of \$4,200, is still vacant. The church janitor gets \$45 a week and \$3 a week for maid services was set up for the first time.

Until recent years, several of these posts were filled by volunteers who received no pay. The budget reflects the modern church trend.

Following is a list of appropriations, by divisions: World program, \$9,906.37; personnel, \$23,084.08; education, \$3925; general promotion, \$2,751.65; special services, \$3,230.04; Building and equipment, \$5,875; contingencies, \$3,610.91; debt retirement, \$8,692.45; special goals, \$27,300.

Goals for special offerings include: foreign missions, \$3,000; Children's Home, \$2,000; home missions, \$700; hospital, \$300; State missions, \$400; home for aging, \$400; Christian education, \$500.

Door Left Open For Change

Pope To Rule Soon On Birth Control

VATICAN CITY (UPI) — Pope Paul VI has approved a final Ecumenical Council statement on birth control, Vatican sources said today. The statement leaves the door open to change but binds Catholics to observe the traditional ban on artificial contraception, the sources said.

The pontiff, in two letters written under his name, earlier had directed the council to make a specific restatement of the church prohibition which would retain the ban against chemical or mechanical methods of contraception.

Vatican sources said the Pope's social 56-member commission, which has been studying the matter for some time, has not reached a final consensus on the issue. The commission will make its ruling sometime after the end of the Ecumenical Council and the Pope will take its statement into consideration when he makes a final ruling.

Vatican sources said the pontiff has made it clear he does not want the Ecumenical Council to pre-empt the question so he personally can make a decision when the full report is in. Meanwhile, council advisers on the American bishops' press panel reported that moral theologians attached to the pontifical commission and the council agree that present church teaching is not open to doubt, namely that artificial contraception is contrary to natural law.

Although some theologians may privately claim the contrary, the panel members said there is no room for Catholics in practice to employ artificial means of contra-

Including the use of the oral pill. The birth control and marriage resolution endorsed by Pope Paul spells this position out in clear terms, Council sources reported.

Garber Speaks

Bishop Paul N. Garber of the Raleigh area of the Methodist Church delivered the groundbreaking address at Benson Memorial Methodist Church Sunday at 3 p.m. as the congregation broke ground for a chapel, eight classrooms and a kitchen.

Participating along with Bishop Garber were the Rev. N. W. Grant, district superintendent of the Raleigh district; the Rev. L. C. Vereen, executive secretary of the Board of Missions of the North Carolina Annual Conference and the Rev. W. G. Sharpe, minister of the church.

The congregation was organized March 22, 1961.

Two Alabama Trials Underway

Witness Says Klan Planned Execution

MONTGOMERY, Ala. (UPI) — An FBI informer testified in federal court today he met with high-ranking Ku Klux Klan officials in Jacksonville, Fla., to plan the assassination of a Congressman who revealed information about the secret order.

The testimony of Gary Thomas Rowe came as federal attorneys worked to solidify their case against three Klansmen whose alleged role in the slaying of a woman civil rights worker was revealed in a midnight rendezvous with Rowe.

Rowe was the first prosecution witness today in the federal conspiracy trial of Collie Leroy Wilkins, William Hinton and Eugene Thomas.

Rowe, a stocky red-faced man, said he was with the three when they allegedly killed Mrs. Viola Liuzzo the night of March 25.

ANNISON, Ark. (UPI) — A local police officer testified today he saw Hubert Eaton, Strange leave a "white man's" rally shortly before Negro Willie Brewster was fatally wounded by nightriders last July.

Strange is on trial for the slaying.

Strange is on trial for the slaying.

Sgt. W. H. Brooks told Circuit Solicitor Clarence Williams and an all-white jury Strange left the rally held by the National States Rights Party (NSRP) with Jimmy Knight, Johnny Defries and Kenneth Adams about 10:30 p. m. July 15. Brewster was shot less than an hour later as he and companions drove home from work.

Strange, 25, Lewis Blevins, 26, and Defries, 25, were indicted for the Brewster murder by a Calhoun County grand jury last August.

Brooks said Adams, NSRP leader, and the others left in a station wagon. He said he noticed the same vehicle pass in the opposite direction after he was called to the scene of the shooting.

Uzzle

ty, my adopted home, is that the people have a mind of their own. They don't fall into a goose-step when somebody snaps a whip.

The salvation of this country is going to depend on this type of people.

Harnett County may not be perfect, but it's a mighty good place to live.

Need Golf Balls? Calling all golfers. Recently a golfing fan said he was going out the next day looking for balls.

Well according to the operator of our town sewage treatment plant this golfer could find plenty of balls in the woods around this sewage plant. The operator is continually having golf balls to come through the town sewers to his treatment plant. They clog up his pumps. He gets the balls out and throws them into the woods.

How the balls get into the sewers is a mystery. The operator also gets lots of mop heads in the sewers. One man lost his false teeth in the sewer, but they did not reach the treatment. This is reminiscent of two diamonds rings accidentally or otherwise thrown into a sewer in another town.

The Town maintenance man in a dream saw the diamond rings in a certain manhole near the home of the owner of the diamonds. The next morning after the dream the maintenance man found one of the diamond rings in this manhole. The owner rewarded him and his two co-workers with \$1000.00. They promptly bought used cars with this money, and soon money and cars were gone.

CRUD If you are like everybody else, you have had 24 hour virus, one week virus, 2 weeks virus or what-not, you have had what some now call CRUD, which stands for Constantly Requiring Undiagnosed Disease.

MEDICARE Several people visited the Junior Woman's Club recently to talk about planning, zoning, and other Town activities. When he walked into the meeting room Charlie McCullers smiled and said it surdy was good to be smelling perfume instead of liniment.

Fred Allen the other night bringing back memories when asked how he felt said he was worn out, hadn't slept all night. You mean you couldn't get a wink all night? he was asked. Twerent' that he said, somebody stole my tiddledy.

Multi-County Effort Why should the objectives of our area, such as obtaining new industries, be confined to a single County. An industry 2 or 3 miles or more across a county line will help a larger area than the County in which it is located. Pooling resources of several counties may give better results than a go-it-alone policy by one county.
