**TRICK OF THE WEEK**

Have someone draw a card of five. Add the numbers that show on top to the numbers on the bottom of the die. They should draw the number 5 a deck of cards and look at the card at the number you need to add to these numbers. While they concentrate on the card you tell them to draw the card they are thinking of. The number that shows on the fourth card is a 5. If you draw a 5 on the first card, the number is always fourteen. The number is always fourteen. Get out your dice and try it.
