**To Feature**

**'Blacula'**

The management of the Ritz Theatre announces a very special double feature program will be presented at the neighborhood theatre at 1201 Beatties Ford Rd. starting Friday at 6 P.M.

The presentation will be "Slaughter" and "Blacula," two of the most exciting movies in the black film category. Soul brother William Marshall stars as "Blacula," an African prince transformed into a vampire by the evil Count Dracula.

The creation of a black representative of the vampires of an African nation beleaguered by slave traders seeks the help of the Count in stopping the practice. Instead, the evil lord of the cult overpowers his visitor and dooms him to forever exist as a member of the undead, dubbed Blacula.

The movie also stars Vionetta McGee and Denise Nicholas.

"Slaughter" is the 10th movie for ex-football hero Jim Brown. It's a violent tale of a black loner compelled to accept teamwork, both white and black, for sheer survival. Brown is an ex-Green Beret unwittingly fighting computerized crime. Sharing cast honors with Jim in the American International release are Stella Stevens, Rip Torn and Cameron Mitchell.

**Robert Campbell Succeeds Tom Mattox At Wilson High**

With President Tom Mattox presiding, Wilson Junior High School held the last of its four annual Parent-Teacher

Meetings last Monday in the school's cafeteria at 8:00 P.M. The final meeting, which opened with devotions led by co-president Mrs. Tom Mattox, was highlighted by the installation of officers for the ensuing year.

Mrs. Charles W. Smith conducted the installation service. PTA treasurer, Mrs. Jean Dellinger, reported that the treasury as of May 14th balance is \$607.67. Miss Virginia Waugh announced that the recently conducted self-study program

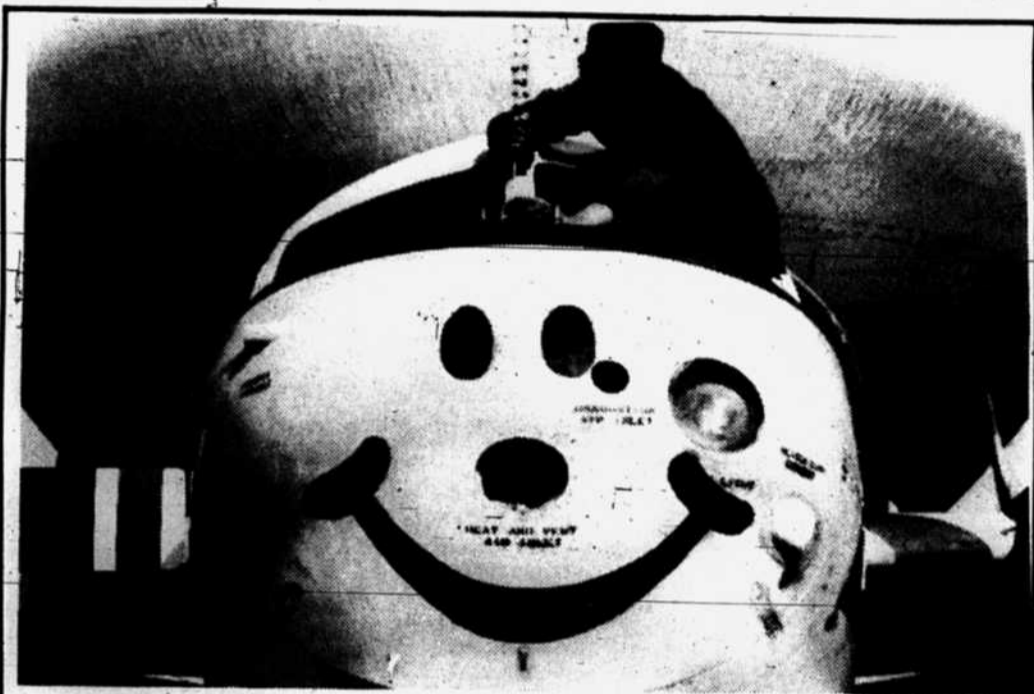

resulted in full accreditation for Wilson Junior High School. In other action, President Tom Mattox announced that the PTA will sponsor a Teacher Appreciation Dinner for faculty members at Rozzell's Restaurant on June 7th and that Wilson's PTA Chapter, which increased in membership more than 10 percent this school year, would purchase 6 sets of Encyclopedias for various classes and departments at Wilson with the money raised from the school's Annual Barbeque
