

MEAC Football Roundup

**South Carolina State, Howard
Move To Top Of MEAC Standings**

by Earl Mason

Victorious Howard and South Carolina State has gotten the jump on the other five Mid-Eastern Athletic Conference (MEAC) teams. They won conference games Saturday to move stand to the top of the MEAC standings.

Howard romped to a 31-7 win over Maryland-Eastern Shore in Princess Anne, Md. while S.C. State won an 8-0 defensive battle over N.C.A&T in Greensboro.

North Carolina Central jumped off to a 21-0 first half lead against Winston-Salem State in Durham and went on to defeat The Rams 27-7 in a non-conference game to give MEAC teams their ninth win in 10 decisions against outside competition. Unbeaten Delaware State was idle Saturday while Morgan State played Cornell in a scrimmage game at Ithaca.

Howard scored 17 first half points before Maryland-E.S. got on the scoreboard and then reserve quarterback Donald Porter scored one TD and passed for another in the final stanza.

South Carolina State, aided by a 33-yard pass interference call against A&T, scored the game's only touchdown on a five-yard pass from Elias O'Neal to Darius McCarthy in the first quarter. The Bulldogs added a safety late in the last period.

North Carolina Central's James Smith scored two touchdowns and quarterback Kenny Wells plunged over for another to give the Eagles a 21-0 halftime lead.

Michael Banks got Howard on the scoreboard in the first quarter when he passed nine yards to Thomas Payne. Julius Gamble kicked the first of four straight PAT tries.

Eddie Spearman returned a pass interception 38 yards for a second period TD for the Bison and Gamble kicked a 33-yard field goal for a 17-0 cushion.

Maryland-Eastern Shore scored its lone TD of the afternoon when Frank Gregg hit Selvene Watts with a 10-yard scoring toss before intermission.

Porter took over at quarterback in the fourth period and scored on a one-yard sneak and then passed 11 yards to Damon Marshall for another six-pointer.

The S.C. State-A&T game in Greensboro was a defensive struggle that saw Bulldog halfback James Robinson gain 100 yards rushing. S.C. State's defense did not allow A&T inside the Bulldog 20 all night.

North Carolina Central capitalized on a pass interception by Lewis Breenden to move 45-yards in eight plays. Smith cracked over from the six on the last play of the first quarter.

The Eagles scored two more times before intermission when Smith plunged over from the two to cap a 10-play, 52-yard march. Wells later sneaked over from the one after the defensive unit gave the Eagles the ball at the 25-yard line.

The final TD for NCCU came early in the last period when Ken Ingram plunged over from the three. Winston-Salem, aided by a pass interference call, scored on the last play of the game on a two-yard run by John Connally.

**PICK UP ON THESE SPECIALS
THIS WEEKEND!**

SANYO 4-channel AM/FM stereo receiver.

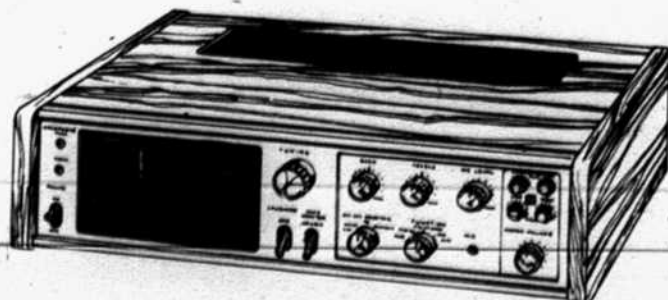

A great value in great sound. This new Sanyo receiver provides extra sensitivity in its AM/FM tuner sections and plenty of power for superb music reproduction. Includes SQ circuitry for playback of SQ 4-channel discs, as well as matrix circuitry for great 4-channel sound from any 2-channel broadcast, tape, or record. Also plays back discrete 4-channel 8-track tapes and CD-4 records with adapter.

- 4 power amplifiers
- Built-in matrix decoder circuit
- Exclusive spatial level control for each channel
- Input jacks for 2/4-channel tape deck and phono
- Outputs for 2/4-channel tape recording

With 4 Image 44 Speakers
ALSO BSR 310/x TURNTABLE

Save \$200.00
Regular \$599.95 **\$399.95**

SANYO 4-channel AM/FM stereo receiver.

With 4 Image 55 Speakers

ALSO BSR 510/x TURNTABLE

Save \$184.95
Regular \$759.95 **\$575.00**

It brings the realism of a concert hall into your home. A 4-channel receiver with 120 watts of power. Its 4 amplifiers can be "strapped" so you get full-power when operating in the 2-channel stereo mode. This unit is designed for every type of present and future 4-channel stereo — discrete and matrix. Includes SQ matrix circuitry, inputs for CD-4 adapter for playing CD-4 4-channel records. Plus matrix decoder for playing back any 2-channel source in exciting 4-channel stereo.

- 4 power amplifiers
- Built-in SQ and matrix decoder circuitry
- Exclusive spatial level control for each channel
- Master volume control
- Microphone input with separate control
- Tuning meter
- Full complement of input and output jacks
