

this Easter . . . Let us all rejoice together, united in strength and hope, to celebrate the glory of Easter—the message of love, rebirth, renewal. This is a time of faith and trust... a season when all things are possible. Let's think on that and pray for peace: within ourselves, especially... and then between neighbors and nations. Let's put our heads and hearts together for warmth, wisdom and brotherhood among men. May the spirit of Eastertide shine in all our lives.
