

Mrs. Micki G. Riddick
Executive Director
YMCA Addition
To Include New
Gymnasium

The Charlotte YMCA plans to add an 8,900-square foot gymnasium onto its present building at 3400 Park Road.

The YMCA Board of Directors has named Worth Williamson, Vice-President and Metropolitan Area Director of North Carolina National Bank, as general chairman of the campaign to raise \$448,093 needed to build the new facility.

Donations given over a two-year period, Williamson said, will come mainly from Charlotte's 11,000 YMCA members and from local businesses. Their contributions are tax deductible.

Scheduled to be completed in January, 1977, the new gymnasium has been informally dubbed "The Diamond Gym" in honor of the YMCA's 75th birthday of community service to the Charlotte area. The local Y, organized in 1902, was the first YMCA in North Carolina. Charlotte has more YMCA members than any other Southeastern city except Houston, according to Micki G. Riddick, Executive Director of the local Y.

A meeting will be held Wednesday, April 14 at 8 p.m. at the Park Road YMCA to update members on the plans to build the new gym. The news media are invited to attend the one-hour meeting that will feature a slide presentation.

The new, fully-equipped gym will enable the YMCA to increase its physical activity programs by 40 per cent, Mrs. Riddick said. Fencing, gymnastics, volleyball, basketball, badminton and tennis are among the vigorous sports that will be played in the new facility.

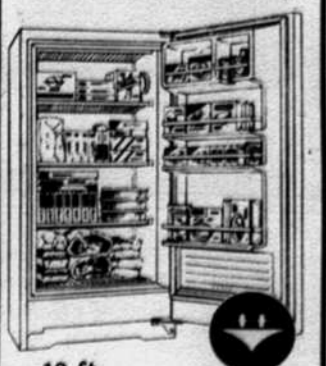

Mrs. Charlotte M. Watkins, President of the YMCA Board of Directors, said the gym will give local women and girls more opportunity to participate in team sports. The YMCA will continue to make its facilities available to men and boys, she said. Community groups would also be able to rent the gym.

Architectural firm for the new building is J. N. Pease associates, the same firm that designed the present Park Road YMCA building completed in 1967. Plans for the original structure included a gym but rising construction costs prohibited it from being built at that time.

The YMCA's capital funds campaign has been approved by the United Community Services which provides a portion of the Y's operating budget.

Donations can be made payable to the YMCA Building Fund, 3400 Park Road, Charlotte, N.C. 28209.
