### For Family Reunion

## Ed Brown Family Gathers Here

Approximately 150 descendants of Mrs. Lula Martin Brown, 92, and the late Ed Henry Brown gathered - with their friends - last Saturday afternoon at the West Charlotte Community Center on Kendall Drive for their 3rd Family Reunion.

Five generations of the Brown Family were present for the occasion and the gathering was honored by the presence of special guests Rev. John M. Kennedy, pastor of Second Calvary Baptist Church, Mrs. Connie Kinard, Mr. Albert Martin, and Mr. W. Holley Jr., of New York City.

Mrs. Lucille Brown Alexander, who organized the Family Reunion last year for the first time since 23 years ago, noted that since last year her brother, Rev. Talmadge Brown, has passed on Feb. 27, 1976 and that the youngest members of the clan to attend this

year's family reunion were Nikki King, 2½, and Shawn Freeman, 3.

There was no formal program for Saturday's 4 until 8 affair and this year's reunion activities were concluded with a gathering in the backyard of clan member Nola Freeman at 2601 Roslyn Ave. on Sunday.

Family members present for this year's reunion were: Ed H. Brown, of Camden, New Jersey; Ethel Brown Patterson, of McCormick, S.C.; Holsey Brown, of Charlotte; Nola Brown Freeman, Charlotte; Margaret Brown Harris, Charlotte; William H. Brown, Charlotte; Wynona Brown

Walker, Atlanta, Ga.; Marion Brown Connor, Detroit Mich.; and Lucille Brown Alexander, New York City, N.Y.; and a host of nephews, nieces, and cousins.

Mrs. Lucille Alexander said the family will reunite next year in Charlotte and "every year as long as mother is alive."

## 18,000 Elderly Poor Provided Jobs

WASHINGTON--More than 18,000 workers, 55 and over, were provided federally subsidized, part-time community service jobs in the nine months ending March 31, Secretary of Labor W.J. Usery Jr. has announced.

Black workers accounted for 20 percent of the 13,210 participants who were in the program as of March 31.

The older workers, all economically disadvantaged were participants in the Se-

nior Community Service Employment Program (SCSEP). Wages are subsidized by the U.S. Labor Department.

The Labor Department spent \$24,140,000 for the program from July 1, 1975 through March 31, 1976.

SCSEP participants work in a wide variety of activities in such places as day care centers, schools, hospitals, senior citizen centers, and on beautification, conservation, and restoration projects.

The program also provides participants with annual physical examinations, personal and job-related counseling, job training and, in some cases, placement into regular unsubsidized jobs. Participants' wages average about \$2.40 an hour.

SCSEP is an alternative to welfare. It offers the communities a federally evenly divided, 72 percent were between the ages of 55 and 69.
