

# "The Saddest Day In All The World"

By J. M. Little

## Part 6 - The Great Separation

J. M. Little

Oh the sadness of it all, you'll stand there in complete silence, guilty. Here is a man who pleaded with his wife here in time to turn to Christ. You were light and frivolous, spurned the truth. You cared nothing about the claims of Christ on your heart at all. You were determined to have your own way. What did you earn by having your own way? There at the judgment you are separated from that godly man. You can't enter into the blessings of Christ and eternal bliss with him. You think that won't bring tears to his eyes and heart? It brings tears and sorrow to his heart here in time. You don't know the groans and sighs of his heart that the Lord will get hold of your rebellious heart. If you go on in your rebellion, the prayers of your godly husband will witness against you that day. Yes, that man of God you ate with lived with and slept with, you slept in the same bed. There that day you will be separated from him forever and forever, never to see him again. Husbands, what would it be like to have to remember throughout eternity that your wife is in the Lake of Fire? No, you'll not have to remember her being in torment. After this judgment God will wipe out the memory of our loved one being in the Lake of Fire, praise the Lord.

Now you listen will you? Don't go off saying I'm crazy, I'm talking to you young woman. You had better listen as for eternity. God is giving you space to repent. He's sent the truth to your heart there is no excuse. At the judgment you will have no excuse. You may go on turning away from the gospel. The Lord is not going to always let His servant plead for you. He will not always let you go on in the comforts of his life. The comforts of this life however, may be all you will ever have. If that is your case dear heart, it would be better that you had never come in here, I mean it would be better that you had never been born.

You go on like the grasshopper now, but there is coming an end to your life here on this earth. One day dear soul you will have to face judgment. You will face your past life alone. You won't look back then and get anyone to sympathize with you in your rebellion. You'll stand alone. You won't scoff at the truth then sinner. My friend, you are going to die! You don't believe the truth I'm teaching now, but there you'll turn I was true to your soul. You won't sneaker and make fun then.

There is a false peace on your heart. It'll be caved in before you get to the judgment. Your judgment is certain. You cannot miss giving account to God for mocking at His truths. You think these truths I'm laying down are things I dreamed up. There you'll see it was the Lord of glory you rejected. And oh how sad you will be. You'll see you sold your soul to the Devil, and for what? There you will see you have no foundation to stand on.

In time you rejected God's way of salvation. At this judgment children will be separated from ungodly parents. In time you thought your child was crazy, always talking about Christ. You were religious but you had no time for Christ. What a tragedy! In time you persecuted that child, did everything you could to hurt them. There parents, you'll see you did it unto the Lord and you will be separated from those godly children. My friends, I know what I'm talking about.

There will be office workers who will be separated from one another. That dear man you called idiotic because he wanted to talk to you about Christ, you'll be separated from him. He'll no longer be pleading for your soul. You'll see you were very foolish to reject his testimony. You said you had your church, but there you'll see you didn't have Christ. You can go on in your prestige church. If that's all you did with young woman you'll split hell wide open. And at the judgment you won't laugh nor will you get anyone

to be saved, so I'll just go on and enjoy things now. You take that attitude and you are going to split hell wide open. And then there is another attitude you can take, (2) the word says only a few will be saved, by the grace of God I'll be one of that few. When I was under conviction I knew only a few would be saved. I cried Lord, if only one is to be saved I want to be that one. And you know something? God saved me. Now you take that attitude and you'll be saved.

**This Is The Law Annual Legal Check Up**

By Robert E. Lee  
Sponsored by The Lawyers of North Carolina

Individuals are beginning to realize, with all the complexities of modern life, that they may be in the future have legal troubles which they can prevent.

A person may enter a lawyer's office and say "I have no legal aches or pains, but tell me - am I in reasonably good legal health?"

The idea of an annual legal check-up is founded on the assumption that lawyers are more familiar with law (legal health) than are non-lawyers. As between a lawyer and a client, the lawyer is more able to determine the client's legal status than the client himself.

Most people don't know whether they are in good legal health or not. For example, they have no clear-cut idea of what would become of their worldly possessions if they should die tonight.

There is a saying that "a man who is his own lawyer has a fool for a client."

to laugh with you. There will be no laughter at this judgment. You'll see your murdered your own soul. I can't picture how sad and awful this judgment will be. But I know from God's word it will be awful. My friend you will be here for only a short while. You will be out in eternity forever. Do you ever consider that your life here is going to end? No you don't. All your so-called good times will be over. You and every false friend who lifted their voice against the truth will stand there silent and guilty. Oh the sadness of it all.

I've thought often about the judgment as I see careless souls going out to eternal ruin. The rich man will be there as Bro' Jack Holcomb says in his song. But his debts are too heavy to pay, sinner your debts are too heavy to pay. But it's a price you have to pay, it's a price you must pay, it's a price you will pay, you'll be paying it all eternity. My heart has bled, I can't sleep at night sometimes because I know what lies ahead for you.

May the Holy Spirit awaken you now, may the arrow of conviction sink deep in your heart and let you see you are on the road to eternal ruin sinner. May the Lord have mercy on you, especially you. If the Lord doesn't turn you, you're gone. There are two attitudes you can take, (1) well, if the Lord turns me I'll
