

# "The Saddest Day In All The World"

By J. M. Little

And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works (Rev. 20:11-12).

This is the seventh in this series on "The Saddest Day In All The World," whether or not we will have another study on this subject I don't know. But I want to talk to you as though you and I were to go at this very moment to the Great White Throne Judgment.

When the judgment is set time shall be no more and you and I will say "goodbye" to all whom we knew and didn't know, and if they are not in Christ we will watch them be cast into the Lake of Fire according to vs. 14 and 15. If your name is not written in the Book of Life, you my friends will be cast into the Lake of Fire.

Yes, this is the last goodbye, oh what a sad time for both saved and lost. It is my friend, the saddest day in all the world. I as a believer will be sad because my dear friend are not in Christ and you will have to spend eternity in fire. Oh the sadness of it all. I wish I could picture it so you could see it as the Lord has let me see just a little into this sad scene there that day.

Yes, the last goodbye. I've got to go now, I must go now to some sad commentaries. At the great white judgment, I'll bid goodbye to many members of my family after witnessing against them. Did you know that at this judgment the saints shall judge the world of unbelievers? Did you know that? Listen to 1 Cor. 6:2,3 Do ye not know that the saints shall judge the world? And if the world be judged by you, are ye unworthy to judge the smallest matters? Know ye not that we shall judge angels? How much more things that pertain to this life?

My friends, you'd better study God's word and ask Him to show you yourself and to show you Christ as your Lord and your Saviour. And you had better quit going around harping that the believer is not supposed to judge. God's Word says that I along with other

saints shall judge the world. So when you say that you cannot judge, you are saying that you are not a saint. You didn't know that did you? Read John 7:24: Paul also said that we (born again believers) would judge angels. Which side are you on my friend? Do you know Christ?

Yes, I'll bid goodbye to many of my family, I'll have to bid goodbye to some of my family who work right here in the office with me. You don't care about the claims of Christ on your heart. You may laugh and make fun of the Gospel now, but there, you will look back in regret, but to no use. Brother, you had better turn to Christ now! There are many of my family looking back from Hell now in regret. They are sad they spurned the Gospel while here on earth. It was presented to them. They cannot be helped now. It's too late now, too late, too late. I have souls in my family who would do anything for me humanly speaking, but they don't know and love my Christ. They care nothing about the truth. Oh my friend! My friend you don't know the ruin you are headed for to spend an eternity without Christ? Oh that you would think on your way. Consider the Lord Jesus Christ who died for poor hell deserving sinners. Death does not end it all. Death just ushers you out into eternity. My friend you are

your heart. It's going to be awful to have to stand there and see all your sins and rebellion come before you. Every rebellion against the truth, how you tried to slander God's servant, spurned the gospel. Oh won't you turn now while there is still mercy? There will be no mercy offered to you there young woman. You will be at the judgment, there is no way out of it.

No soul can win fighting Almighty Sovereignty. Now is your only hope of being saved. Why murder your never dying soul? On earth, you will be here for just a little while. Life is just a shadow here, and mentioned as a vapor, signifying the shortness of the time you will spend here. But of dear soul, eternity is forever.

What a sad scene there at the judgment. Even as a lost soul you will say goodbye to others who are lost. There are different degrees of punishment for rebellious mankind. My friend, it'll be truly the last goodbye. Preachers will say goodbye to members of their congregation who didn't turn to Christ. Brothers and sisters will say goodbye to one another. Husbands will say goodbye to their wives, and wives will say goodbye to husbands. Mothers will say goodbye to children.

### This Is The Law Liability Of Hotels

By Robert E. Lee

What is the liability of a hotel for the property of a guest that is brought into a hotel?

In North Carolina a hotel cannot be held liable for loss or damage of the property of a guest unless the loss results from the failure of the hotel to exercise ordinary care. Even then the hotel cannot be sued for an amount in excess of \$100 if required notices have been posted.

However, if a guest notifies the hotel in writing that his property exceeds \$100 in value, and furnishes it with a list of the property and its value the hotel may be held liable for any loss or damage to the property resulting from negligence on its part.

Proof of the loss of any such property, except in the case of damage or destruction by fire, is deemed prima facie evidence of the negligence on the hotel.
