

# "The Saddest Day In All The World"

### "I'll Witness Against You" Part 8

At the judgment you won't say I didn't do this or that. There are two records kept of everything you do or say, one is the record God is keeping, the other, you are keeping on the walls of your mind. At the Judgment they both will agree one hundred percent. You'll see every day that you had here in time to turn to Christ. You'll say, "Oh, why couldn't I have listened? Oh, I wish to God I had listened." There will be no hope there for you my friend.

Listen, But I say unto you, That EVERY IDLE WORD that men shall speak, they shall give account thereof in the day of judgment (Matt. 12:36) Yes, every idle word, that day you went behind closed doors cursing God's servants, taking them for a skinning, making fun of the gospel, every work, young woman, you will face it at the judgment. Every night you slipped out with the other man's wife. I have two women in my family who play the harlot. At the judgment you'll face it my dear women. You'll remember every day you wrote another man and slipped out with him. You thought you were getting back at your husbands. There at the judgment you'll wish you had not done it. It didn't matter whether your husbands knew it or not, God saw it. He saw it when you lied to your husband. You thought you were doing something smart. You'll see that your rebellion was against God, not your husbands. There will be no mercy there for you. In the Lake of Fire you will just after some man but you will not have him. The Great White Throne Judgment will not change your base lusts. Throughout the ceaseless ages of eternity your lust will be reaching out but never satisfied. The Lord gave you good husbands but you wanted a new thrill. It damned you to Hell.

There is no appeal from this court. This judgment settles everything once and for all. Some believer may be lying under some accusation. There the believer will be acquitted by the world. The opposite of justification is condemnation. Every soul who received a gospel message, whether from me or someone else, you'll remember that you turned it down, trampling it under your unhallowed feet. You'll re-

member young woman, every day you received a gospel message in the mail from New Orleans. You counted it trash. God is going to ask you, my dear, what did you do with My messages? And you shall stand silent, admitting all your guilt. You will not say you aren't guilty. This judgment is a righteous judgment. There is no error or mistake in it.

When you stand there that day, you'll wish you had received the truth. I'm going to have to witness against souls who worked with me right here in the office. You'll see that you turned the truth down. You regarded the truth as trash in time. You did not have time to be bothered with such foolishness. But there you will regret eternally you did not turn to Christ.

by angels into Abraham's bosom, the rich man dies and lifts up his eyes in Hell. There are two souls who know there is a Hell, every believer knows there is a Hell and every awakened sinner knows there is a Hell. A preacher on the radio was trying to do away with Hell. He is not saved. God never calls a man to misrepresent Him.

The material things of this life will pass away. But you are going to live in eternity forever. One of the most awful things about Hell is memory. Abraham said to the rich man, "Son, remember." My dear friend remember, remember wife, remember young woman. Oh, the awfulness of the memory in Hell! Yes, you'll remember but you will be tormented. Memory will torment you forever. Remember Son, remember daughter, remember friend.

According to Rev. 20:13 every man is going to be judged according to his works. You will not be judged for what the other fellow did, oh no. You are going to be judged for what you did. You will not point the finger at the other fellow there as you do here. A young woman said some years ago, "I know I'm going to Hell but I won't be there by myself." She also said she didn't care. Not too long ago Ross died and went to Hell. What a tragedy! How tragic it is to murder your own soul.

Listen, And whosoever was not found written in the book of life was cast into the lake of fire (Rev. 20:15). Is your name in the Book of Life? Mine is, I praise the Lord He wrote my name in the Book of Life before the foundation of the world. If He had not put it there I never would have been saved. I praise the Lord He will wipe away all tears from my eyes that day.

In Rev. 21 John said he saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea. Praise the Lord. My friend, now is the day of salvation. John also said the former things are passed away. We will not remember them any more. You in my family, I won't remember you any more. All memory of former things shall be over. Can you imagine how awful it would be to have to remember that your loved ones are burning in the Lake of Fire? It is awful now to think of the judgment they are under day by day and they care not for their souls. How awful it is you go on day by day not caring about the eternal welfare of your souls. Oh, the sadness of it all. But this judgment will be THE SADDEST DAY IN ALL THE WORLD. Turn to Christ now my friends.

Yes, all the redeemed will be there to witness against the unbelievers. Are you an unbeliever? Will you be there as a witness for your Lord or to be judged? Will you consider these things? Your life is now centered on material things. Remember, a man's life consisteth not in the abundance of the things which he possesses.

## Gonorrhea Strain Found

By Otto McClarrin  
Special To The Post  
More cases of a new gonorrhea strain which kills the antibiotic intended to cure were confirmed by the National Center for Disease Control in Atlanta recently and health officials are concerned over it spreading further.

The CDC said 12 cases of gonorrhea which penicillin could not cure have been detected in California, Maryland, Rhode Island, Arkansas, Iowa, New York and Virginia.

The CDC, through the World Health Organization, ordered a world-wide surveillance for the new gonorrhea strain a few weeks ago. Forty cases of the disease were found in Liverpool, England, and another in London.

Dr. Paul Winesner of CDC, said the penicillin-resistant disease "could put a control burden on us. It is an important public health problem. Preventing its spread is going to entail the cooperation of medical people and patients."

**ONE BLACK STUDENT**  
The Federal Government's first medical college - the \$90 million military University of Health Sciences - opened in Washington at Walter Reed Hospital on November 15 with only one black and one Puerto

Rican among its 32 students. The school's leaders, themselves concerned, are increasing their efforts to reach minority applicants for their next class of 68 students next fall, according to statements by officials.

The class also has five Orientals and five women. Dr. Anthony R. Curren, president of the new school, is quoted as having said the school is "a good deal." The student pays no tuition and gets \$11,000 a year salary for four years.

Then he must serve seven years in the Army, Navy, Air Force or Public Health Service and another half-year for each year of residency training after internship. The black student, First Lieut. Maceo Braxton of Los Angeles, is a 1924 West Point graduate and one of seven military academy graduates in the class.

**STUDENTS POORLY TRAINED:**  
Medical students are so poorly educated on aging and its illnesses that their lack of sensitivity to older people includes name calling, says the first director of the government's National Institute on Aging.
