

CONGRATULATIONS CLASS OF 1977...

WE'RE PROUD OF OUR NEW GENERATION OF Graduates...but where will they be TOMORROW?

Right now, it's graduation time, time for celebrations, for parties and for gifts...but tomorrow, after all the honors have been bestowed, our grads will be looking to the future. Some will choose to continue their education, others will enter the business world now. Sooner or later, all will decide where they can best begin and build their careers. All of us have a definite interest in the future of these young people, and we'll all benefit if graduates find opportunities here. We invite you to join in our efforts to make our community a good place to live, a good place to shop, a good place to work, and a good place to raise a family.
