

# "The Sin Of Pride"

By J.M. Little

"A high look, and a PROUD HEART... is a sin." (Prov. 21:4) As I look around me and come in contact with men and women from all walks of life I weep for them because as a whole they are proud in heart.

A proud heart says, I'll have my own way and do my own thing. You've heard that all your life. A proud heart rises up, I'll go where I want to, when I want to. A proud heart says, I have a mind of my own. A proud heart spits back, here is my opinion. A proud heart feels, this is mine, I'll do what I please with it.

My friends, let me reason with you just a little. God hates all sin, and the sin of pride will damn your soul to Hell. No proud man is saved! Many times you hear individuals say, take pride in this or that. A soul may speak up, you ought to be proud of your family. No, we should be thankful. A proud heart is not thankful unto the Lord. You cannot be thankful as long as you are proud and you will never be saved until all pride is hidden from you. According to Job, 33 all pride has to be hidden from a sinner before he can know the Lord Jesus Christ as Lord and Saviour.

When the Lord began to deal with my heart for salvation, I was one of the proudest devils that ever walked on this earth. I was so steeped in pride, my opinion, and what I wanted to do. There are no words to describe how proud I was. All those years I was so proud and selfish, not one time did I sit down and ask the Lord what He wanted me to do. No, it was all J.M. Little. Neither did I realize that one day the grace of God would get hold of my rebellious and proud heart and lay me prostrate at His feet praying for mercy. I praise the Lord He stopped my proud heart that was on the road to Hell. Oh may the Lord show you that YOU are wrong as He did me - grant you repentance toward God and give you faith to believe in Christ to the salvation of your soul.

Oh, if you only knew the sweetness of knowing the lovely Lord Jesus Christ. Oh that your eyes could be opened to see the beauty of Christ. Your eyes are closed by pride now. You are blinded to your true lost condition and your need of the Saviour. Pride

J. M. Little

won't let you see the beauty of Christ and your need of Him. I weep for you.

My heart goes out to you who are blinded by this damnable sin. My heart goes out to my family, my friends and my enemies. Satan has you blinded. Satan is telling you that God's servants are against you and don't love you. I do love you. I told a woman here one time that I would die for her if I had to that she might be saved. Well, Someone has already died for you, but you don't want Him. Christ died for you, all your sins. Why go to Hell? Christ went to Hell for you if you'll turn to Him. Turn to Him now! Tomorrow may be too late friends.

We have seen in the Scriptures many proud men who went down to Hell because they refused to bow to the Lord Jesus Christ. We have seen some proud men that God saved. King Nebuchadnezzar was one of the proudest men on earth. This is mighty Babylon which I have built by the might of my power, for my glory (read Daniel 4). The Lord broke the king by taking the kingdom away from him and putting him out to pasture. He ate grass as did the oxen and his hairs were grown like eagles' feathers, and his nails like bird's claws. Now you may ask, Bro. Little wasn't that an awful thing for God to do to the King? Brother you listen, GOD IS SOVEREIGN! Ane HE can and will do with you as He pleases. YOU don't tell God what to do with

from the Lord by being proud. Pride is trying to steal honor from the Lord. You had better leave off thinking that the Lord does awful things and get to asking God to show you what an awful state you are in. One of the things that makes me most righteously indignant is you proud devils going around here accusing God of wronging you and you don't see your awfulness of sinning against God. You think God is wrong. Before you are ever saved if you ever are, YOU are going to see that YOU are the one that is wrong.

I have had proud sinners tell me, "you have no right to call me a sinner." Well, God says you are a sinner and you are going to admit to God that you are a rotten low-down Hell deserving sinner or go to Hell for all your trouble! Now you let that soak in. You are going to acknowledge what you are and who you are as laid out in the Word or go to Hell! Go on to Hell then. The door is wide open and you are going to split Hell wide open! And all that pretty black hair will be burning in Hell. You are just the dust of the earth sister!

you! Now you just shut up and listen to the Lord. If you don't you'll never be saved. You see, you think it was awful for God to turn the King out like an ox. But you don't think it is awful to try to steal honor
