

Damaris McClain Receives Most Outstanding Student Award

Damaris McClain, daughter of Mr. and Mrs. Odell McClain of 601 Georgetown Drive, received a trophy and the Most Outstanding Student Award by the Miss Donna School of Dance. The awards were given after a dance recital held by the school Thursday, June 16 at Ovens Auditorium.

According to Peggy McClain, Damaris' mother, Damaris became interested in ballet when she was three years old. Now at the age of 12, Damaris has attended Miss Donna for five years.

Damaris is now participating in a dance retreat for advanced students at the Holiday Inn, in which she is learning new dance routines from teachers from New York and California. "Damaris practices everyday for two hours and will continue at Miss Donna's in the fall," her mother said.

Besides her ballet, Damaris, like her brother Odell Jr., is a sports enthusiast, participating on the basketball and track team at North East Jr. High School where she is in the eighth grade. Her mother also revealed that Damaris hopes to become a gymnast and has ambitions of going to
