

The Prophet's Column Editorial

By J.M. Little

J. M. Little

My friends, you and I are living in the most dangerous times the world has ever known. We are living in a time when you cannot reason with men. An age of hardheartedness call PARANOIA. The paranoid heart is past all impressions from God.

Listen to the Word of God: "And for this cause God shall send them strong delusion, that they should believe a lie; That they all might be damned who believed not the truth, but had pleasure in unrighteousness (II Thess. 2:11-12).

God has sent this generation today a STRONG DELUSION because this generation has steadfastly refused to believe the truth. What truth? The truth that man is a fallen depraved creature, and it is only by the regenerating work of the Holy Spirit that man can be brought back into true fellowship with God. Man fell in the Garden of Eden. We all died in Adam, he was our representative. We failed in him. All men by nature are totally depraved sinners. You will come to acknowledge that or you will never be saved. As the late parson used to say; "If you go astray on total depravity, you go astray on all other doctrines in the World." And that is so true. I've noticed that souls who go astray on total depravity are in error on everything else.

This generation today has rejected all truth from God. In every walk of life, men lie like dogs. You could not tell the truth, or stand for the truth to save your gizzard, if you had five thousand gizzards. I never dreamed years ago that we would be where we are today. The spirit of the Anti-Christ has taken over the minds of men. I want to tell you something here you may disagree with me on; I believe the Anti-Christ is in the world today. Oh my! the world is gone my friends. You may find one in a million who knows what it means to know Christ. Everything is ready for the Antichrist to take over. Get ready to die! Oh how poor souls are deluded, but the Lord promised to send you a delusion if you didn't receive the truth and this is just what has happened. World conditions are so bad there are no words to describe how awful it is. God is ripening this world for judgment.

For four years we have been warning you and encouraging you that you must flee to Christ who is your only Safety.

You are not safe in any other. We have warned you that the Lord is soon to return. We have warned you about the Devil's son, the Antichrist, who will rule with unhindered sway. And many of you right here with me at work are going to be here to endure the wrath of God poured out during the Great Tribulation on Christ rejectors. You have stubbornly resisted the truth that would save you. It matters not who you are, the Antichrist will command

you to receive his number and mark or you will die! You listen to the Word of God; "AND HE CAUSETH ALL, BOTH SMALL AND GREAT, RICH AND POOR, FREE AND BOND, TO RECEIVE A MARK IN THEIR RIGHT HAND, OR IN THEIR FOREHEADS: AND THAT NO MAN MIGHT BUY OR SELL SAVE HE THAT HAD THE MARK, OR THE NAME OF THE BEAST, (Antichrist) OR THE NUMBER OF HIS NAME (Rev. 13:16-17). Now the number is 666. Listen as I tell you something that will make your hair stand on end if you know the Lord or want to know the Lord. In 1967 in Europe, a new money was printed by the ONE WORLD government movement, which is of the Antichrist. It was said that all the world would have to go on the new money and new economic system. A young Christian reporter asked the question: "What will happen to those who refuse to go along with this new world order?" The answer was; "They will have a black line drawn through their names at world bank headquarters and be marked for destruction." I am also told that all the world is to be on the new monetary system by Sept. of 76. Wake up friends!! This new order is the Antichrist taking over! I am also told that this money which was printed in 1967 is now already in Washington, D.C. Do you see how near we are to the end of this age? The number of the Antichrist is 666. The number of the Antichrist is already being put on many business forms, ex. the license tags of Israel and social security number of the Common Market members begin with 666.

A woman asked me if Dr. Henry Kissinger were the Antichrist. I replied no. Dr. Kissinger is not the Antichrist but he is a tool of the Antichrist. Back in the early 60's my late pastor used to make this statement often; "The goal of the communists is to have their man in the Whitehouse by 72." He was 100 percent right. The commu- Whitehouse by 72, and he is

rights. He will be the world DICTATOR.

The Antichrist will blaspheme the name of God and declare that he is God. "What will the Antichrist look like?" you ask. That picture you have there in your home that he (Satan) has inspired you to believe is Christ, that will be a look alike of the Antichrist. He will be the most powerful person to set foot on this dear earth other than Christ.

The whole world's gone after the Lie which is the Antichrist. You may not realize it but if you are not in Christ or not under Holy Spirit Conviction, you are in the Lie, the Antichrist. Now just where are you? Now you will come back and say as many of you have; "Bro. Little you are hitting us too hard." A postmaster here said one time; "That man (meaning your editor) is hitting me mighty hard not to know me." Well, I don't care if you are Governor or President, if you don't repent and turn to the Lord Jesus Christ, you Mr. Postmaster, Mr. Governor, Mr. President, will land in Hell just like a Bourbon St. harlot. It was said that in a church one time someone whispered to the pastor; "Stonewall Jackson is in the audience." The pastor was reported as making the statement from the pulpit; "I hear that Stonewall Jackson is in the audience, Stonewall Jackson will have to repent or go to Hell just like anybody else." Oh how we need men today to stand up and preach the Gospel to high gov't officials. Men like John the Baptist who was not afraid to stand before King Herod and declare God's message to that wicked king. We need men like Daniel, who refused to bow down to the King's image. He was thrown in the lion's den you know, but the Lord locked the mouths of the lions. I believe Daniel may have gone to sleep that night leaning on one of those lions. Then you know they put him and the other two in the furnace of fire, they made it seven times hotter. Not a hair was singed on their bodies. The Lord was with them.

The Lord is with me I don't care what you may want to do against me. I have the victory in Christ. You cannot defeat me. The best thing for you to do is turn to Christ man. You can't go on like you are going, if you do you are going to Hell. Rich or poor, free or bond, high gov't official or low, turn to Christ that you may go with Him when He comes (soon.).

Arthritis Is Used To Describe Aches

While the term arthritis is widely used to describe many unexplained aches and pains in the muscles and joints, it literally means inflammation of joint inflammation which shows itself as heat, swelling, redness, and pain. It is the body's way of reacting when something is damaging body tissue. But in arthritis, it is the inflammation itself that is doing the damage and more than 200,000 North Carolinians are victims of this disease.

There are five common but different forms of arthritis.

Rheumatoid arthritis is the most serious, the most painful, and the most crippling form of arthritis. It primarily attacks the joints but can also affect the lungs, skin, blood vessels, muscles, heart, and

even the eyes. In children it occurs in a form known as juvenile rheumatoid arthritis. Osteoarthritis, also called degenerative joint disease, is a wear-and-tear disease of the joints which comes with getting older. It is usually mild and is not generally inflammatory but can sometimes produce considerable pain. Mild to severe disability may develop gradually.

Ankylosing spondylitis is a chronic inflammatory arthritis of the spine and affects men ten times as often as women. It usually begins in the teens or early twenties, but it is rarely seen in persons over age thirty.

If you have joint pain consult your personal physician for evaluation and treatment.
