

Southern Bell Promotes Four Blacks

By Jeri Harvey
Post Staff Writer

Jacqueline Perry
...District Chief Clerk

Jacqueline Perry is a Charlotte native who has been with the company four years, starting in the Area Plant Department and serving now as District Chief Clerk in the Commercial Department.

Asked what she does in her new position, she said, "Everything."

As administrative assistant to M.E. Foard, district manager of the south district, Mrs. Perry handles all personnel and paper work for the 68 people who report to Mr. Foard. She is responsible also for processing all vouchers for that department. In addition, she takes service orders and relays them to installers and receives payment of customers bills. "I look to this job as a 'temporary-permanent' Action Program."

Mrs. Butler, the former Mary-Fewell of Cramerton, is a medical technologist at Mercy Hospital. They have a ten month old son, Jason.

Mr. Butler's hobbies include photography, reading and sketching. For recreation, he and Mrs. Butler enjoy eating out, attending an occasional performance at the Pineville Dinner Theatre, and picnicking. They attend Friendship Baptist Church.

Carol Brewer
...District Chief Clerk

position. I don't want to be a secretary forever and hope this may be a stepping stone to something else perhaps counseling in Personnel.

Mrs. Perry's husband, Kenneth, has also been with Southern Bell for the past four years and is a Supply Serviceman. Parents of a 3 1/2 year old son, Ferrante, they spend some of their spare time going to the park, to movies and attending concerts in the surrounding area. The last major event they attended was the Jazz Festival in Atlanta in June.

Carol Brewer has been with Southern Bell 5 1/2 years, first in the Personnel Department, and now as Chief District Clerk in the Directory Department. Her duties include handling all personnel mat-

...Supervisor

ters concerning non-management employees, such as benefit cases, leaves, transfer requests and the like. She said, "This is definitely not boring work, it is constantly changing and I keep really busy."

Mrs. Brewer is a native of Monroe and is married to James Brewer Jr., who is an Adjuster with Home Credit Corporation. They have two daughters, Kena, aged two, and Cassandra, who is four. Family fun includes movies, tennis and motorcycle riding, which the older girl loves. Mrs. Brewer's hobbies are cooking and sewing.

Charlene Foreman is from Charlotte and is a nine year veteran at Southern Bell. She spent five years in the Traffic

Jim Butler
...Employment supervisor

Department and was transferred to the Directory Department and to the Customer Service Department before her present position as Unit Supervisor in the Directory Department. She is responsible for seven sales representatives and one clerk and helps to outline programs for customers, design ads and place them in 36 Southern Bell Directories in North Carolina.

Ms. Foreman has received several awards for her work, which she said she enjoys. She added that she sees ample opportunity for advancement for herself and other qualified people within the Bell system. She is single, enjoys cooking and sewing, and spectator sports, such as basketball and football.

Bennett Upgrades Students

Paraprofessional Advising

Greensboro - During the last several years Bennett College has placed much attention on providing more effective academic advising and counseling for students.

One of the most successful aspects of the college's Freshman Studies Program has been the involvement of qualified students in the advising of first year students.

Miss Dorothy Harris, director of Freshman Studies and Academic Support, noted that peer counseling is not a new concept at the women's college. Students have counseled in the residence halls for a number of years.

"Since 1975, our peer advising program has developed as a direct consequence of increasing demands for counseling services, tutoring and from recognizing the need for more professionally trained personnel," she stated.

"It makes individualized attention more of a reality in the academic scene." Based on the popularity and effectiveness of the program, the College recognized the need to expand the service beyond the registration period and the first year orientation program.

The National Division of the Board of Global Ministries of

the United Methodist Church has awarded the program a grant of \$10,000 to assist in training a select group of upperclass students for peer academic advising.

A training institute will focus on helping college students to plan their study and leisure time, to perform successfully on examinations, to form more effective study habits, to write scholarly papers and to coordinate their academic schedules.

"This part of our total college aims to help each Bennett student take control of her education and personal development at the beginning of

her college experience," Miss Harris added.

She said the advising program is modeled on the "cell unit concept." Each cell includes a student paraprofessional adviser and twelve students. The director of the program and a faculty associate supervise each group.

"While the program generates a more professional attitude among the peer advisers, it's more significant that students seem to find it easier to reach out to their peers for that first initial contact," Miss Harris concluded.

Gov. Hunt Names Jervay

To Goals Policy Board

Governor Jim Hunt this week appointed Tom Jervay of Wilmington to the N.C. State Goals and Policy Board.

Jervay is the editor and owner of the WILMINGTON JOURNAL. He is a member of the Business and Professional Men's Club, the New Hanover Black Leadership Conference, and the NAACP. He is a past president of the National Negro Publishers Association and is a former member of the board of directors of Planters National Bank and the New Hanover Memorial Hospital.

The State Goals and Policy Board is composed of 15 members. It is appointed by the Governor. He has already named 10 of his appointees. Four members are holdover members having unexpired terms. Members of the board serve terms of four years.

The Board on State Goals and Policy was created by the 1971 General Assembly to develop recommendations and to advise the Governor on board issue areas, and to prepare with him new programs, legislative proposals and spending priorities. Since 1973 the Board has been inoperative.

This summer the Governor has reactivated the Board, not only to develop policy recommendations for his administration, but also to involve citizens in that effort.

The basic purposes of the Board are to survey the whole range of state needs, propose state goals, and recommend ways for state government to achieve these goals.

Mr. Charles R.B.

QUESTION: Why do Trichologists and stylist test each customer's hair before giving a dye or chemical treatment?

ANSWER: Each person has a different skin type, a different strength of hair, a different texture of hair. They've previously done different things to their hair and skin. They have various physiological reactions to different food stuffs and even simple chemicals. Each test is designed to alert or minimize the risk of any procedure. Chemicals such as drugs, synthetic vitamins or even alcohol have certain effects on hair skin and its treatment. The Fall and Winter hair styles are out. Be sure to see what your designer can do with you for fall.

Send questions to: Trichology Corner, P.O. Box 16447, Charlotte, N.C. 28216.

Young Democrats

Recognize

Bill Williams

Bill Williams, immediate past president of the Young Democrats of Mecklenburg County was recognized as "The Most Outstanding Young Democrat in North Carolina for 1976" in Raleigh, North Carolina on July 23. Williams, who is 29 years old and a research chemist for Standard Chemical in Charlotte, received the J. Albert House Award at the Young Democrats of North Carolina Installation of Officers Banquet which was held at Scott Pavilion in Raleigh.

This award, which is given annually to "The Most Outstanding Young Democrat in North Carolina," is named for J. Albert House, a former president of the Young Democrats of America.
