"Salvation Is Of The Lord"

By J.M. Little

I realize and understand why you religious folks hate the Gospel I carry. If I were you, I'd hate it too. But I'll make this statement; I'll stake my hope of heaven on the truth I'm laying down. I know how the Holy Spirit awakened me to my lost condition, showed me who I was by nature, what I was by nature, and the judgment I was under with my father the Devil. Then I know that there was a definite moment when Christ was revealed to me.

I know what God saved me from and what God saved me to. Let me ask you this question: are you willing to go out into eternity with what you have?

Salvation is of the Lord from start to finish. All Three Persons of the Godhead have a part in a sinner's salvation. That's a strange statement to most of you. Do you know how the Three Persons of the Godhead have a part in the sinner's salvation? I've been setting it forth from the time I began giving my testimony. I've told it over and over again.

I realize I'm crazy to you religious folks with your easy "believingism," my friends when you come to press a dying pillow you are going to awaken to see your true state that I am now warning you of. You won't call me crazy then. You'll say, I wish I had listened to that voice warning me.

Salvation is all of the Lord. Listen; "Christ hath REDEEMED us from the curse of the law, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree (Gal. 3:13) To redeem means to buy back, we were all sold to the Devil when Adam fell. Christ bought the elect back. Now if you could believe and be saved yourself, then it would not have been necessary for Christ to come and die for us.

Denying the FALL of man and TOTAL DEPRAVITY makes you devise man-made methods of salvation. If you could have anything at all to do in your salvation then it would not be eternal. If you knew yourself you would not want to have anything to do with your salvation. Now, I realize these messages are giving some of you unsaved religionists unshirred hell. And I am glad they are.

The outstanding thing in your life that reveals that you are not saved, is that you are a total stranger to Christ Himself. Just listen to your testimony and it is void of the Person and work of Christ. Listen again to your testimony and it is void of Holy Spirit Conviction. Holy Spirit Conviction is an ancient mystery today in religious circles. Let me tell you this; No sinner is saved apart from Holy Spirit Conviction. If you miss Holy Spirit Conviction you miss Christ. Let me also say this; partially all religious impressions in the religious world today do not come from God, they come from the Devil.

The ministry as a whole, being ignorant of how God saves a sinner, has gone about setting up man-made methods to fill the kingdom. You may find a handful of preachers across the nation who know experimentally how God saves a sinner. Now I realize that makes you mad for me to say that our preachers are lost and on the road to Hell, but I know it is so. The reason you do not want to admit that the religious world is lost is because you have the same thing they have so if you admit they are lost, you'll have to admit that you too are lost. It has been said; Bro. Little preaches more on the sinner's

J. M. Little

sinful state than he does on faith in Christ. That is the way it should be. If the sinner never comes to see and know his utter depraved and ruined state, he'll never want Christ. It has also been said that this ministry does not exalt Christ. It has been said that I don't present Christ as the sinner's hope. I can't keep folks from being ignorant and neither can you.

The Lord Jesus Christ left all His glory in heaven to come and die for His people. If you could believe on Him when you wanted to or exercise your choice so-called, then why did He come and die? Now you answer that.

We are coming down to the end of this age. That is one of the major reasons why there is so much opposition to the truth. I know I'm setting forth the truth about how God saves sinners. You fight the truth because Satan energizes you to fight it. Have you ever told anyone how God saved you? Never have, yet you rise up in holy horror against the truth.

As long as you believe you can have something to do with your salvation, you will never be saved. Some folks here have said they would not read my messages because I am always judging. I tell you that you are lost after listening to your testimony and you say I'm judging. I went to a doctor one time and he told me I was going to have to have an operation after he diagnosed my case. Did I accuse him of judging? No. I simply acknowledged that he knew what he was talking about. It would have been foolish to accuse him of judging. Now you may come back and say that was a case of a doctor dealing with a man's body and that this is a soul matter when I tell a man he is lost. Yes, it is a soul matter and you are going to spend eternity in Hell or Heaven. I am not a doctor of men's bodies. I am a doctor of men's souls.

How is it with you and the Lord? If you know Christ the world knows it. They do not understand it but they know there is something different about you. These preachers here know I have something they don't have. But rather than come sit with me and let me tell them about Christ they bitterly accuse me which is all the more evidence you are not saved. If I cannot find fellowship with you in Christ then you are not saved.

These Scriptures I have given you pointing out that salvation is of the Lord are skipped over by the average preacher or deacon. Just because you are religious is no sign you are saved. Just because you are an officer in the church is no sign you are saved. Just because you are a preacher or pastor is no sign you are

saved. I was a lost deacon one time too. You folks talk about being saved but you do not know what it means to be LOST. The Son of Man is come to seek and to save that which was LOST. Are you lost? Have you ever been lost? If you are seeing your lost condition, then the Lord is seeking you. He alone can be your salvation. Turn to Him, salvation is of the Lord. Praise the Lord.
