

Benefit

Game Rescheduled

Officials of the Triple County Semi-Pro Baseball League have rescheduled the All-Star Benefit game for Saturday afternoon, September 24 at Griffith Park.

"In addition to the best players from our league, we plan to have several players from major league farm clubs competing," president Bill Coles said late Tuesday.

Cole said all proceeds from the contest will be given to the family of the late Roosevelt Davis, who was shot to death Labor Day during a softball game at a church picnic.

The All-Star game will match players from the east and west division against players from the north and south division. Each team will have two managers. Herman Thomas and Willie Barringer will manage the East-West squad which will be composed of players from the Morris Field Rangers, Charlotte Bombers, Charlotte Trojans, Albemarle Sluggers, Morning Grove Hawks, Charlotte Chiefs, Royal Bums, Norwood Pirates, Charlotte Tigers and the New London Cardinals. Thomas manages the Rangers, Barringer the Royal Bums during regular season.

Their squad will be led by Randy and Rudy Falls, Tim and Murphy Morris, Melvin Latta, John Harris, Terry Belton and Sammy Burroughs. Minnie Mendoza and Henry "Lunchmeat" Wallace will manage the North-South outfit. They will have players from the Charlotte Hawks, Kings Mountain "A's", Rock Hill "O's", Charlotte Raiders, Town and Country Ford, Hoskins Giants, Charlotte Red Birds, Westside Eagles and the Charlotte Mets.

They will have an awesome crew including such standouts as Jim Erwin, Bert Cueto, Willie Dixon, Benny Little, Willie Hancock, Jerry Alexander, Harry Morrow, Ira Simpson, Willie Rorie, Albert Turner, Johnny Davis, Palmer Gilmore, Willie Alexander, Walter Alexander, Steve Helms and Nector Valesquez. According to Cole, the price of admission will be \$1.50 for adults and only 50 cents for children under 12. Cole said no passes will be issued and that everyone will have to pay to get in "even the players."

S. C. State

Hosts Howard

ORANBURG, S.C. — The Bulldogs of South Carolina State College will try to make it three wins in a row Saturday when they host the Howard Bison in a 2 p.m. Mid-Eastern Athletic Conference contest at Bulldog Stadium. The encounter is the third straight coming at home for Willie Jeffries' squad and the first afternoon contest of the season for the Bulldogs after two night games.

Saturday's contest will be a showdown for the early lead in the MEAC. After last week's action, in which both the Bulldogs and Howard scored shutout victories, the two stand one-two in the league standings.

Howard, a 15-0 winner over Maryland-Eastern Shore last week, is 1-0 in league action and holds down the second spot.

Larry Brown Named

Post's "Player Of Week"

By Martin Chisom
Post Staff Writer

Larry Brown would like to leave Garinger High School with a championship under his belt.

A shy 5'9", 165 pound half-back, Brown explained that the only time he has been on a championship team was when he played on the JV football team his sophomore year. Brown is the key in the run oriented offense played by the Wilcats, and he said "Our true test will be against Myers Park Saturday night during Homecoming."

In the three games Brown has appeared in, he has rushed for more than 500 yards and has had six touchdowns. His latest feat was against Independence in which he gained 205 yards and scored four touchdowns. When asked about the game he really wanted to play, Brown said, "The team I would like to play is East Mecklenburg, because they beat us." He added however that he didn't want to look past Myers Park, "because they are better than their record indicates."

When Brown is off the football field, the sport he plans to keep playing, he may be seen

playing basketball or baseball, two sports he also plays for Garinger. Brown said he recently started playing tennis and enjoys working with electronics, but said he seldom has time to take a deep interest in any hobbies.

Brown talked about attending college and has been to games at N.C. State and Duke but right now his goal is to "do good."

Shaw Receives

Foundation Grant

Raleigh, - The office of Dr. John W. Fleming, Interim President of Shaw University, announced last week the reception of a \$20,000 National Science Foundation Scientific Research Grant.

The grant is in support of Research Initiation for Minority Institution Improvement: The Effects of Cytoprotectants on Bacterial Cells, and will be administered by Dr. Bibek Ray, Department of Biology.

Dr. Ray explained that the research would determine what happens to bacteria when they're frozen and how some chemical compounds protect cells from freezing.
