

Sunday School Lesson

By Rev. Waylon R. Wallace

Rev. Wallace

Greetings fellow Bible students! "Who Is The Greatest?" This is the subject of the coming lesson for discussion. Our text is found in Luke 22:24-27 and Mark 9:33-37.

These two gospel writers reveal something very important about the disciples. They were ambitious men. They had all left something in order to follow Jesus. They had all come to follow the Lord expecting to receive something of more value than what had been left behind. What they were seeking was greatness. Oh, what sacrifices a man will make in order to win that coveted prize! Let us observe here that an inordinate desire for greatness is never satisfied. These men truly believed that they would eventually acquire greatness, because of all the wonderful things they had seen their Master say and do. But, now they had a new concern. Who would be the greatest among the great? Which one of them would be the ruler over all others? Who would have the honor of sitting at the right hand of the Lord when his Kingdom came in all its power?

Now, it would appear to the writer that ambition is natural, universal and perhaps necessary. Jesus does not condemn ambition. Rather he demands that we recognize the true path of greatness. That way is the way of service. Their failure to see or recognize this face caused strife and confusion among them on more than one occasion. How much strife is caused in our churches and other religious circles by folk wanting praise, position and prominence? One can not sing on the choir unless he sings solo often. Another cannot usher unless she is also President. Some will not come to Sunday

Frosty Car

Windows Unsafe

And Illegal

Motorists who fail to clear frost from their car's windshield, side, and rear windows not only risk having or causing an accident, but they also risk receiving a traffic citation, according to Highway Patrol Commander, Colonel John T. Jenkins.

Jenkins pointed out that failure to clear all the frost from all the car windows was not only unsafe but also a violation. North Carolina law requires the windshield, rear, and side glasses to be free from discoloration which impairs the driver's vision or creates a hazard, he said.

During this season of the year, Jenkins suggested, motorists should anticipate frost and cover their car glasses at night. If they do not, they should scrape all frost from all car glasses before starting out on these frosty mornings. Motorists attempting to reach their destination while peering through a "peephole" of frost can expect enforcement action by the Patrol, Jenkins said.
