Honor Mrs.

Randolph

Elizabeth "Libby" Randolph, associate superintendent of Charlotte-Mecklenburg Schools, has received the "distinguished Alumni Achievement Award" from the National Alumni Association of Shaw University. She was nominated by the local Fred Brewer Chapter of the association.

The award, which is given annually, is based on achievements in education, administration and public service. It was presented to Mrs. Randolph at the recent National Alumni Banquet held in Raleigh at the Hilton Inn.

A former classroom teacher and principal in the Charlotte schools, Mrs. Randolph is currently president of the Association for Supervision and Curriculum Development and is active in church, community and civic organizations.

CAF To Conduct

Work Session

For The Elderly

By Dannette Gaither
Post Staff Writer

On Thursday, December 8, the Charlotte Area Fund, Inc. will conduct a work session for all senior citizen groups interested in crime prevention. This session will focus on What You Feel Is Needed to make your neighborhood a safer place to live. A representative from the police department will be on hand to talk about the education of crime prevention.

According to Anne Sheffield, spokesperson for Charlotte Area Fund the proposed plan for the session is to get as many senior citizen groups as possible to attend. Whether there will be other sessions of this type will be left up to the groups. She feels senior citizens are more afraid of being attacked than the crime itself. This is why there is a reluctance to get involved.

She says the Fund plans to apply for federal money through LEAA (Law Enforcement Assistance Act) to further the work with crime prevention.

The session will be held at 2 pm in the auditorium of the Main Branch Public Library.

For further information contact Anne Sheffield at 372-3010.
