

Joel Grey To Narrate

Holiday Special

A kindly clockmaker, a friendly family of mice and a sensitive Santa Claus join together to add holiday cheer during the coming Yuletide season when "Twas the Night Before Christmas," a half-hour musical special narrated by Joel Grey and adapted from Clement Moore's famous Christmas poem, is rebroadcast Monday, December 19 at 8 p.m. on WBTV, Channel 3.

Dean Martin's

Christmas Show

Dean Martin rides on horseback near Hidden Valley, California in "Dean Martin's Christmas in California," to be telecast Sunday, December 18 at 10 p.m. on Channel Nine. He is joined by city comedians and country singers.

Dean's guests include Jonathan Winters, Gabriel Melgar (of "Chico and the Man"), award-winning singer Crystal Gayle, Linda Lavin, international singer Mireille Mathieu and the Goldiggers.

Martin opens the show singing "I'll Be Home For Christmas," followed by the entire cast in "Happy Harvest."

Dean rides one of the many Andalusian horses seen on the show as he performs "Back In Your Own Backyard." He is joined by Winters in a sketch about prospecting and Gayle performs her current hit, "Don't It Make My Brown Eyes Blue."

Featured in the special are the voices of Tammy Grimes as Albert Mouse, John McGiver as the Mayor of Junctionville, and George Gobel as Father Mouse.

The town of Junctionville is troubled that Santa Claus will pass over the village when they find that his feelings have been hurt by an unsigned letter to the editor of the local paper denouncing him as a myth. Sensitive Santa has returned the town children's letters marked "Not Accepted By Addressee." Only the scholarly Albert Mouse, who resides in the walls of Trundle House, seems to ignore the situation. Could he have written the letter to the editor?

Brown Christmas

As the first flakes of snow start descending on Peanutland, that imaginary everywhere in which Peanuts grow in wisdom if not in height, Charlie Brown and his philosophical Peanut peer Linus search beyond shiny aluminum trees, tinsel and gaudy neon to find the real, unornamented meaning of the Yuletide season, in "A Charlie Brown Christmas."
