Donaldson, Gibbs

Inducted Into

Honor Society

Rev. C.M. Young, Moderator of Catawba United Presbyterian Church, announced Tuesday that several of their young members have been inducted into the Society of Distinguished American High School Students.

The Students from this area who are inducted were Evelyn Donaldson and Timothy Gibbs.

The Society, which is one of the nation's foremost high school honoraries, inducted the students because of their excellence and leadership in church and civic achievement, according to Mrs. A.S. Emehel.

Mrs. Emehel says the National Awards Program is sponsored by 21 of America's finest colleges. "Thousands of dollars in scholarship funds from these colleges are made available to Society members."

Mrs. Emehel, who received a National Appreciation Award for her efforts on behalf of the students stated, "I am extremely proud of these exceptional students and the honor that they have received. It's surely one that they will cherish the rest of their lives."

One of the Society's guiding principles is to "promote both academic and civic achievement on the high school level by recognizing students in its membership registry, The Society of Distinguished American High School Students, which is published annually."

Needly Students

Will Pay More

For Breakfast

WASHINGTON, - Assistant Secretary of Agriculture Carol Tucker Foreman announced this week that especially needy schools may receive increased payments for breakfasts they serve under the school breakfast program from Nov. 10 through Dec. 31, 1977.

"We are taking this action to implement a provision of new child nutrition legislation signed last month and to enable needy schools to offer nutritious and satisfying breakfasts to their students," Ms. Foreman said.

The maximum reimbursement rate for especially needy schools will increase from 45 cents to 49.25 cents for each free breakfast served, and from 40 cents to 44.25 cents for each reduced-price breakfast served. The maximum rate of reimbursement for each paid meal in especially needy schools remains at 11.25 cents.

After Dec. 31, reimbursement rates will be adjusted semi-annually.
