CMS Informs

Students Of New

Assignments

Information on school assignments for next fall for students in Charlotte-Mecklenburg Schools will be included with third quarter report cards to be sent home with students last Thursday.

This is a new procedure to inform students earlier about school assignment. In previous years, this notification has been made at the end of the school year.

Parents are urged to check this information in order to know which school their child will attend next year. Report cards for elementary students will include press labels with assignment information; assignment cards will be enclosed with secondary students' report cards.

Under the revised pupil assignment plan, some 4,600 students are being reassigned for the 1978-79 school year.

Students who wish to request a transfer must make such a request within 30 days of receipt of the school assignment notice. Request for reassignment forms may be obtained from any public school.

Awards

Three Charlotte students were among the 130 students honored as scholarship and distinguished award winners at the annual awards banquet held recently at Winthrop College in Rock Hill, S. C.

Albert F. Prudmore was given the Prentice-Hall, Estate Planning Award. This award, sponsored by Prentice-Hall Publishers, is given to the most outstanding student in the estate planning in the school of Business.

Anna Elizabeth Holland, a senior Home-Economics major is the recipient of two awards. The first award is the Johnson-Walker Scholarship, established by the South Carolina Extension Homemakers Council in memory of Dr. D. B. Walker, the first home demonstration agent in the U. S., awarded to a home economics major.

Holland's second award is the Elizabeth Burris Memorial Award. This award was established by the South Carolina Dietetic Association in honor of Elizabeth Burris, a Winthrop alumna, is given annually to a graduating senior who plans to complete a dietetic internship or continue graduate work in the field of food and nutrition.

Deborah Leigh Cowan is the winner of the Theodore Presser Foundation Scholarship. These scholarships are awarded by the Presser Foundation in Philadelphia, Pa., and are given to undergraduate students for tuition purposes only with preference given to those music majors interested in teacher preparation.
