The Davidson Jets, who have been struggling all season long, turned in their best performance of the year here Sunday afternoon to upset the Morris Field Rangers, 10-8, in an important Jackie Robinson Semi-Pro League baseball contest.

On Saturday, the Rangers edged the Union County Dodgers, 7-6, to register their 18th triumph of the season.

Roger Coleman, who received help from Albert Turner in the ninth inning, was the

winning pitcher. John Boyd, Charlie Houston, Tim Morris, Albert Turner, and Bobby Reynolds led the stickwork.

Boyd clouted three singles while Houston was hitting a double and two singles. Morris two singles. Turner a homerun and a double. Reynolds also had two singles.

## Local Teams To Compete Tournament

Three Charlotte baseball teams will compete in the annual North Carolina Invitational Semi-Pro Baseball Tournament at Lenoir, beginning Thursday, July 13.

The Charlotte Hawks, who indicated early last week that they had accepted an invitation to return to the prestigious tournament for the fifth straight season, will be joined by the Jackie Robinson League leading Mecklenburg Orioles and the popular Morris Field Rangers.

The Hawks will represent the Triple County League

while the Orioles and the Rangers will be representing the Jackie Robinson circuit.

It will be the second time the Orioles, who are managed by Minnie Mendoza, have competed in the tourney. They were eliminated in the first rounds last summer. The Hawks will be making their third appearance. After advancing all the way to fourth place in 1976, Morris Field got bumped the quarter finals in 1977.

Dub Cuthbertson's Hawks will be made up of outstanding players from the Triple

County league.

Manager Herman Thomas of the Rangers indicates he may add "one or two" players. Thomas said he is talking with Melvin Latta, the great pitcher with the Charlotte Bombers of the Triple County League and catcher Javet Wilson of the Davidson Jets. Thomas has contacted several other top players in the area in a last-minute effort to streng-

then his lineup. According to sources from Lenoir, the Cleveland Steeles are expected to be the "team to beat" when the big meet gets underway next Thursday.

The Lenoir Sur Pak, a team that has won the title for three straight years, is reportedly "considerably weaker" this year, having played only .500 thus far in the season.
