

To Be Held Saturday

8th Annual Boy's Town Auction

The eighth annual Boys Town Auction has been set for Saturday, August 19. The 14-hour auction will be televised by WBTV, Channel 3, beginning at 9 a.m. and ending at 11 p.m. The program will originate from the Charlotte Civic Center with regional radio and TV personalities acting as masters-of-ceremonies.

Proceeds from the auction will be used to support Boys Town of North Carolina and its campus near Pineville. During the past seven years over \$700,000 has been raised to meet building and operational expenses.

Vice President of NNCB Mortgage Corp. Vic Mills, will serve as general chairman, assisted by Joan Zimmerman. Brenda Monteith will be auction coordinator.

When asked how the auction plans are progressing, Mills said: "Although we've received donations worth approximately \$100,000, this is well short of the \$250,000 we need by auction time. However, we're making every effort to seek assistance from the business community for more donations. Well over half of the operating funds for Boys Town are provided through this annual auction, and its success or failure is vital to the livelihood of Boys Town.

Within the past two years, we've doubled the number of boys we care for, while proceeds from the auction have grown only moderately. While
