AL JARREAU

...Popular singer

Mark Holden, who portrays a lucky actor whose dream of discovery is realized in the

best Hollywood tradition. In 1927, in the hills above Los Angeles, the original

Hollywood sign was erected and read "Hollywoodland." Each letter was 30 feet wide and 50 feet tall and cost \$21,000. As years passed, the sign was neglected and crumbled into illegibility. When plans got underway for the special, action was again started to refurbish this symbol of the golden city. And, as the

culmination of the special, the new Hollywood sign will be unveiled during a live pickup from the Hollywood Hills, where a thousand guests will be gathered at a birthday gala for their first glimpse, along with the television audience, of the refurbished symbol of Hollywood.

MEET REVEREND WHITE

WILLIAM WHITE is minister of Little Rock A.M.E. Zion Church in the First Ward neighborhood. Reverend White keeps his congregation aware of community concerns. The church has assumed leadership in housing and day care through the establishment of Little Rock Apartments.

In their leisure time, the White family, William and his wife Brenda and their children, Milton and Jacinta, enjoy sports. A favorite pastime is getting relatives together for impromptu back yard football and basketball games.

Reverend White has been a Republic customer since he came to Charlotte. Republic's Main Office is convenient for him because it is located near First Ward. He particularly appreciates the extra hours Republic is open...until 6 p.m. weekdays and on Saturday mornings.

William White says, "The best thing about Republic is the personal attention which goes along with professional banking service."

At Republic, we do things a little differently. We care.
