

William Blakeney
...Coulwood principal
Blakeney Elected

President Of

District Principals

by Susan Ellsworth
Post Staff Writer
William Blakeney was elected president of District 6 for the 1979-81 years by the North Carolina Principals and Assistant Principals Association.

District 6 consists of all the schools in Charlotte-Mecklenburg.

Blakeney has been principal of Coulwood Junior High School for four years. On awards day, this past school term, the school's year staff dedicated the 1979 school annual to him.

He was recently re-elected for a second two-year term, 1979-81, as National President of South Carolina State College National Alumni Association, Inc.

The Charlotte chapter of South Carolina State College National Alumni Association, Inc. sponsored its annual scholarship banquet and the members presented him a plaque for his loyalty and dedication to the Charlotte chapter, for which he served as president for eight years.

Blakeney continues to be involved in a number of other activities. At the last Grand Conclave of Kappa Alpha Psi Fraternity, held in Denver, Colorado, he was re-elected to the Grand Board of Directors for a third consecutive three-year term.

Blakeney is an elder at Memorial United Presbyterian Church. He is chairperson of the Personnel Committee and serves on the Worship Committee. He is also a member of the Mission Division of Catawba Presbytery and serves on the By-law and Mission Design sub-committees.

UNCC Passes

\$1 Million

Mark In Grants

For the first time ever, the University of North Carolina at Charlotte has passed the \$1 million mark in grants awarded to the university during a single academic year.

Barry Lesley, director of academic grants and contracts, said that as of June 7, a total of \$1,027,225.75 had been awarded UNCC during 1978-79.

UNCC received \$78,663.25 during May to push the year's total past \$1 million.

That money came from sources outside the university. Lesley says the bulk came from the federal government, but other grants were obtained from local, state and private agencies to fund various projects.

The grants support faculty research projects, training programs, continuing education and extension opportunities, seminars, workshops and conferences, all of which reflect directly on the community.

"Our faculty deserves the credit for this expanded outreach program of the university," said Lesley. "They put in a lot of hard work and time in preparing proposals to seek funding for the various projects."

Once the grant proposals are filed, it's up to the funding source to determine how much money will be allotted to the project.

Lesley says funding from external sources has increased three-fold in the last four years. Total funding for 1975-76 was \$330,000. During that four-year period, UNCC has obtained just over \$3 million in outside grants - one-third of it within the current fiscal year.
