"Remember Lot's Wife"

"Remember Lot's Wife." Lk. 17:32. The Lord spoke those words to the Pharisees after He reminded them of the destruction of the generation in Noe's day and the destruction of the inhabitants of Sodom and Gomorrah in Lot's day. My friends, we are living now in the wicked days of Noe and his nephew Lot.
In the days of Noe and Lot,

"they did eat, they drank, (the sin of drunkedness) they married wives, they were given in marriage, (wife swapping)..."-"they bought, they sold, they planted, they builded..."-but listen to these sad words; "and the flood came, AND DESTROYED THEM ALL." "it RAINED FIRE AND BRIMSTONE FROM HEAVEN, AND DESTROYED THEM ALL." Now these are the conditions the whole world is in today! Judgment is coming on this Christ rejecting generation just as sure as it came on those generations. You can't escape the judgment unless you flee to Christ.

And the Lord said; "Remember Lot's wife." Now the Lord Jesus Christ put His stamp of approval on the destruction of those cities and the destruction of the wicked generation in Noe's day. But what about Lot's wife? Why does the Lord hold her up as

an example to warn us? In Genesis 18 and 19 we find the story leading up to and the destruction of Sodom and Gomorrah. When the angels were leading Lot, Mrs. Lot, and their two daughters out of the city, the angel warned them; "Escape for thy life; LOOK NOT BEHIND THEE ..."but in verse 26 of Gen. 19 it says; "But his wife LOOKED BACK from behind him, AND SHE BECAME A PILLAR OF SALT." Judgment fell swiftly! Mrs. Lot's heart was in Sodom, she did not want to see her city destroyed because she loved it and all its earthly pleasures. Mrs. Lot was not saved. What a tragedy in the face of the goodness of God. Here was mercy offered to her and she refused the Lord's mercy. This evidences that there comes a time when the individual crosses the deadline of any hope. Mrs. Lot crossed the deadline, she rebelled against the command from the Lord. Once she crossed the deadline there was no hope. How many of you have some impressions but you have trifled with them instead of prizing them and pleading with the Lord to bring you on to Christ. Mrs. Lot's destruction also shows that the sceptre of grace will not always be held out to a

sinner. Sinner, what is

keeping you from coming to Christ? Some of you here in

times past had many impres-

sions from the Lord, your

heart was seemingly moved

upon by the Lord under Holy

Spirit conviction. But you

were very critical of my testimony in 1972, and now you

are more critical. You are

waxing worse and worse. You

are being blinded more and

more by a demon spirit. Only

a thin cord of mercy is keeping

you out of Hell where Mrs. Lot

is. You can't go on like you are

going, if you do, then you are going to Hell just as Mrs. Lot did. The distance from

Hell is the same distance it

was from Sodom when Mrs.

prescious convictions. Now, I can't talk to you about Christ. Oh how sad is your state! Will your end be like Mrs. Lot?

We are coming down to the end of this age. The age of the Gentiles will soon be over and the Lord is coming back to rapture His bride; the blood bought ones. If you have been redeemed by His blood you are looking for His soon coming. The whole world now is caught up in a great economic crisis, all this is pointing to the Second and soon coming of Christ. Are you looking for Him to come? I am. I know He is faithful and He is coming. His coming is my hope. I believe I'll be living when Christ comes. He is only coming for His own. Will you be taken when He comes? The greatest thing is all the universe is to know Christ. This world is going to be destroyed (II Pet. 3). Where will you be then my

Before the Lord can bring judgment on a nation or people, He first takes His own into safety. The Ark was built to shelter Noe and his family from the judgment of the flood. The angels gave Lot and his daughters safety in Zoar until the judgment of fire was past. But the Lord always ordains circumstances to bring out the rebellion in an individual's heart so that all may see what the Lord has known all the while. In a case here, some eight years ago I saw ingratitude and hatred in a woman's heart. The Lord ordained the circumstance that exposed her rebellious heart so that all could see her as He knew her to be all along. I had seen the rebellion in that heart years ago. The Lord exposed her heart and by God's grace I put the finishing touches on it. And every soul who rose up saying I shouldn't have said what I said about that woman is just as lost and on the road to Hell as she is. Remember this; an unsaved heart always takes sides with another unsaved heart. You the city. Listen as Abraham

cannot go contrary to your nature! You always take sides against me because you are not saved. Now you let that soak in. Who ever heard you tell anyone about the Lord Jesus Christ? No one. Mrs. Lot took sides with the inhabitants of Sodom and Gomorrah and went the same way they went. Get this; the soul who is always critical of the Lord's anointed never gets saved. I don't know if the Lord is going to save you or not. Get this; every soul is being enlight ened more and more by the

ment this world is under! Antichrist, I don't know. Wake up friends! The coming of the Lord draweth nigh.

'And Abraham drew near, and said, Wilt thou also destroy the righteous with the wicked? Peradventure there be fifty righteous within the city: wilt thou also destroy and not spare the place for the fifty righteous that are therein?...Shall not the Judge of all the earth do right? And the Lord said, if I find in Sodom fifty righteous within the city, then I will spare all the place for their sakes." (Gen. 18:23-26) Read the rest of the chapter and see that Abraham continued to plead with the Lord for even ten and the Lord would have spared the city if that number could have been found. But that number of saved souls could not be found either. Just think, all that great number of people and ten saved souls could not be found! What a tragedy. What about today my friend? If Charlotte were to be destroyed if ten saved souls could not be found in it would it be destroyed? I'll quickly answer for you; Charlotte would be burned to the ground just as Sodom and Gomorrah and all the cities of the plain (except Zoar). Now you can call me in question about that all you want to. Let me tell you something else; there is no such thing as walking with the Lord and not seeing the judg-

began to plead for the city;

Remember Lot's wife! Will you go the way she went? Will you? Now you think on it. I realize I am a lone voice crying in the wilderness of soothing religion. But you had better wake up friends. The Lord is coming and if the Lord a lot into the future, the underworld said a baby born in Europe in the early sixties that would bring peace to the world by 1980. That could very well have been the birth of the
