North Gets Set For First Round Action

By James Cuthbertson
Special to the Post
As the North Vikings prepare for first round action the state 4-A Playoffs, the health of senior running back Chris Cook becomes a crucial issue.

Cook may be sidelined when the Vikings play High Point Central Friday night at Viking Stadium here. Kickoff is 8 o'clock.

"I strained ligaments in my leg last Friday night," Cook said, explaining that "I just cut for a run and my legs gave way. I will definitely not be at full strength, if I play." Anthony Means and Scotty Williams will have to carry the burden of the running game, if the Vikings' All County star is not at full strength.

The Vikings have averaged 14.6 points per contest this season, while giving up an average of 6.5 points per game.

Five individuals have carried the scoring burden for the Vikings this season. Cook has carried for seven touchdowns, among them is a 76 yard break-away against the Hard-

ing Rams. He is the team's big play man. Scotty Williams has scored six times, including a 49 yard pass-run and a pass-run for 37 yards. Williams has also kicked nine extra points and a field goal to lead the team in individual scoring.

Means has registered four touchdowns, with a 677-yard run against the Garinger Wildcats his longest gallop this year. Jimmy Harward has caught three touchdown passes, including a 57-yarder against South.

Quarterback Tony Campagna has a one yard run against Mecklenburg as his only scoring jaunt and Ron Raeford provided the other TD when he took an interception in from

18 yards out against Independence Patriots.

"People talk about our weak secondary," offered Williams. "But when we have prepared for the teams with the good quarterbacks, we have done well. We stopped Mike epley of Harding."

"Our defense should hold well against High Point" Williams continued. "We are a lot better than we were last year at this time. When we went to the playoff last year we were inexperienced. Well, we are experienced now."

Lady Sabers Looking For Great Season

CONCORD--The lady Sabers of Barber-Scotia College have concluded the best season in the history of women's basketball at the institution, last year with a 17-10 record and are looking forward to more of the same during the 1979-1980 season, according to Head Coach Carl B. Clark.

"We were fortunate to have some outstanding performers on last year's team," Clark said, "and we're looking forward to having a number of them back this year. Coupled with the new blood on the team for this season's recruits, we should be able to field a fine team."

Clark said those returning include standout sophomore Co-captain Earlean Heath. Miss Heath, 5'7", averaged 14.5 points per game and shot .581 during the last season, good enough to earn her a 2nd place ranking in the National Association of Women's Sports organization. She also averaged 12.1 rebounds per game, qualifying her

for a sixth place finish in the statistics compiled by the National Association of Women's Sports. She is already high on the all-time scorers list for the Lady Sabers and holds the school records for the most points scored during a game (32) and the most rebounds pulled down during a game (30).

Connie Leeper, senior co-captain of the team, will also be returning for another season. During the 1978-79 season, she averaged 10.1 points per game and was second on the team in assists with 45. Connie is Barber-Scotia's all time leading scorer.

Three freshman, who will be starting this year for the Lady Sabers, are 5'10" Center Cynthia Tate, who averaged 9.5 ppg and 8.6 rpg for Bessemer City High School in NC and made honorable mention all-GazetteLand and 5'9" Forward-guard teammate Betsy Ann Wade who averaged 17.6 ppg and 16.4 rpg for Bessemer City.
