"False Doctrines"

By Jim Little

I am glad to greet you again in the name of my crucified, buried, and risen Lord, who alone is my salvation. The greatest thing in all the universe is to know the Lord Jesus Christ as your Lord and your Saviour.

Over the last almost eight years since we have been putting our messages in print, we have been telling how God saves a poor hell-deserving sinner and setting forth the great doctrines of the Word of God. All I can do is tell you what the Lord has done for me in salvation. I cannot tell you a thing which I have not experienced. I can only tell that which is a living reality to my heart. If you have ears to hear, immediately you will say: "that is how God saved me."

Over the last several years many false doctrines have sprung up and are growing by leaps and bounds and running like wildfire. It is my responsibility, as a servant of the Lord to not only set forth the truth as it is in Christ, but at the same time expose error, warning sinners that they will not be led astray by every wind of doctrine.

The false doctrine that I am exposing at this time is the teaching that: "Salvation is the written Word of God." Multitudes are being led astray by that doctrine today, and it is alarming because many so-called fundamental preachers are preaching that. They base their doctrine on some Scriptures from the first chapter of the Gospel of John as follows: "In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God." (Jn. 1:1-2) Now, they take those two verses and say that the written Word, our Bible, was in the beginning with God and was God. And they go on to tell you that by believing the Written Word you are saved. If I have ever seen the Devil fool poor souls, you who teach that believing the written Word is salvation are the biggest beguiled souls I have ever seen.

Now listen to me if you can. In the first place the sinner has no saving faith to believe the written Word of God. A sinner under Holy Spirit Conviction knows he has no faith to believe the Word. But you have never seen that. You may believe the Word historically, all about Christ's coming and dying on the cross; but that isn't salvation. Believing intellectually does not save the soul. You can believe the Word from cover to cover and yet go to Hell. You can go to Hell with the Bible in your hand. Now when I make statements like those you are ready to condemn me to a fiery furnace.

Let me explain something to you if you can hear: my Bible, from Genesis 1:1 to Revelation 22:21, all 66 books, 39 in the Old Testament, 27 in the New Testament, all these go together to make up the entire written Word of God to us. The written Word of God, apart from the agency of the blessed Holy Spirit is powerless to save the least of sinners. If the written Word alone could save you, there would be no need for the Holy Spirit and His work under conviction. The

Jim Little

written Word did not die for a sinner. If the written word alone could save sinners, then everyone who would read it and profess the least to believe it would be saved.

Those of you who teach that salvation is believing the written Word, I have found this about everyone of you; you are total strangers to Holy Spirit Conviction, you do not know true heart-felt Bible repentance, you know nothing about a hard heart of unbelief, you do not see the judgment this world is under, and you know nothing about the REVELATION OF CHRIST to the human heart. You are also warped and twisted in your doctrines, you place the church in the tribulation period, thereby making God collect a sin twice.

Now let me state it very clearly: The Bible is the written Word of God, my Bible I now have here lying beside the typewriter. It is verbally inspired, absolute, eternal, unbroken. It was penned by holy men of God as they were moved by the Holy Ghost (II Pet. 1:21).

But until the Holy Spirit awakens you (Eph. 2:1), that is makes you alive, the written Word to you is no more than an almanac, why? Because you have not been born again to see either its judgments or mercies. That's right.
