

Child Care Center Opens In Hidden Valley Area

By Susan Ellsworth
Post Staff Writer
If you need day care for your children the newly opened Snow White's Wonderland Child Care Center can help.

The center, located at 4915 Snow White Lane in the Hidden Valley area is accepting applications during regular weekday hours from 6 a.m. to 5:30 p.m.

Care is available for infants and children ranging from two weeks to 12 years old. Planned recreation and educational enrichment is provided for children along with some field trips.

Employee and parent workshops are used to update participants on methods of dealing with children.

Portfolios are kept on each child so his development can be discussed with parents at the center's PTA meetings.

Aside from two trained staff members, Mrs. Virginia Parks directs the programs and Dr. Valeria Granger and Mrs. Barbara Goines supervise activities. Granger and Goines are licensed nurses experienced in child development.

Able to accommodate 45 youngsters - medical forms for the children will be distributed when parents register them.
