**"God's Watchman"**

By J. M. Little

All over the world preachers and religious movements are springing up like wildfire. And there are multitudes "answering the call" to surrender to preach, as they state it. I try to read as much religious literature as I can, and, also, I listen to preachers on the radio. I'll quickly say that practically all the religious literature, except a few, and practically all the preachers, except a tiny few, have missed Holy Spirit conviction and know nothing about the Lordship of Christ. Now you can say I'm being critical all you want to, I am speaking out of the abundance of what the Holy Spirit has taught me, before He brought me to Christ, and since He brought me to Christ almost ten years ago, I know what I'm talking about and I couldn't be any clearer on how God saves a hell-deserving sinner. Miss Holy Spirit conviction and you'll go to Hell without warning as my old late pastor L.R. Shelton used to say. Brother, I know what it means to have my heart opened under the illumination of the Holy Spirit (Jn. 16:7-11). And if the blessed Holy Spirit ever brings you under conviction, you'll immediately acknowledge I'm being true to your soul. Today, Holy Spirit conviction is an ancient mystery. You'll never be saved apart from Holy Spirit conviction. The sinner in his natural state, whether in the pulpit or out, does not know his dead and ruined condition. But once the Holy Spirit shines the light of the glorious Gospel of Christ, (II Cor. 4), into your heart, you see your lost condition. You begin to see the judgment you are under, you see you have no faith even though you once boasted of your great faith. You begin to see your far distance from a thrice holy God. Do you know what I'm talking about? Have you seen your tragical lost condition? Have you ever seen that your nature could never desire Christ? Have you seen and known your hatred, (Rom. 8:7), for the Lord? Have you ever seen that you are a child of the Devil? (Jn. 8:44). Have you

ever seen that you must get to Christ or perish eternally? And at the same time did you see that you could not get to Christ on your own efforts? Have you ever seen that Christ alone saves? Have you ever seen that only the blood of the Lord Jesus Christ can take away all your sins? You will before you can know Christ as your Lord and your Saviour. Remember, salvation is Christ plus nothing, and Christ minus nothing. Do you know Christ?

I don't care how much a preacher has learned in the schools, unless he knows Christ he can't tell a sinner how God saves a sinner. Only one who knows Christ can tell a sinner the Way of Grace. Do you know the Way of Grace?

The man who takes it upon himself to go out preaching, you fit in one of the four classes of preachers I named. God holds you just as responsible to be true to the souls you preach to even though you are not saved. If you don't be true to them, and you can't since God didn't call you, their blood will be on your hands.

God calls and equips the men He thrusts into His vineyard. He never places that responsibility on a board. We are living in the last days. The Lord could come any minute. I highly enjoyed the messages by

Christ comes, even if it means my life.

**Black People**

**Working**

**Together**

Dear Sir:

We as black people cannot be like crabs in a pot, when you see one making it to the top, you reach up and pull him down. We must let that one reach his destination, and after he has reached it we then, should hope, he remembers where he came from. Not only remember but start helping others. This is working together. Now don't get me wrong because working together is not thinking that someone should help you all the time. You must first put forth the effort then others will help you.

You see, working together is just like building a house, you have to first build your foundation. We as black people need to have God as our foundation, because with God all things are possible. When things get rough God is going to be there, just because he didn't move that rock so you could sit down, that doesn't mean he didn't hear you or he doesn't care. Have you ever heard that saying that God works in mysterious ways? He may not come when you want Him, but you can assure yourself that He's right on time.

So to the "Woman of the Year", I hope you will build your foundation and trust in God, and just because you have reached your destination don't forget where you came from or the people you left behind. I wish you all God's happiness for a successful year and whatever you do or say may the words of God be with you always.

As Miss Charlotte Post "Beauty of the Year" I would like to also to say to Mr. Bill Johnson and his superior staff that I salute each and every one of you with outstanding honors for your new endeavors, and that your paper continue to grow.
