Smirnoff Vodka

To Conduct "Star Search"

Smirnoff Vodka will launch a search for a new star for its current and

highly successful "Main Squeeze" advertising campaign directed to the black consumer market. Beginning in October,

four color ads will appear nationally in EBONY, JET, ESSENCE, BLACK EN-TERPRISE and DOLLARS & SENSE magazines with supporting black newspapers, out-of-home, pointof-purchase and sales promotion programs in 25 target markets. Search ads will run through October 1981. A national panel of beauty and fashion experts will make the final selection from photographs submitted by interested participants. The winner will appear in Smirnoff Vodka advertising during 1982.

The "Main Squeeze" campaign is named for a popular mixed drink made with Smirnoff Vodka and grapefruit juice and a tra-ditional black slang expression for "best girlfriend." The campaign achieved instant success upon introduction in Spring 1980. The search contest was inspired by the volume of unsolicited photographs and letters from readers suggesting candidates for future "Main Squeeze" ads plus requests for additional ad copies and posters. The "Main Squeeze" campaign was developed by Uni-World Group, Inc., a blackowned agency providing advertising services for Heublein's Smirnoff Vodka, Don Q. Rum, Harvey's Bristol Cream and Rhum St. James alcoholic beverage brands. Now in its 12th year of operation, Uni-World has annual billings in excess of \$12,000,000. Itsaccount roster includes the A&P, American Telephone & Telegraph, General Foods, General Motors, Gulf Oil, RCA and Welch Foods.

This unit will replace the Charlottetown Station located at 1200 Baxter Street, the Dilworth Station at 208 East Blvd., and the West Trade Street Station at 401 West Trade St. These units will provide service as follows on October 9-10, 1981.

Dilworth and Charlottetown Stations: Customers will be able to pick up Post Office Lockbox mail on October 9, during regular hours. No Lockbox mail will be available at these units on October 10. It will be available at the New Downtown Station.

West Trade Street Station: Customers will be able to pick up Lockbox mail until 10 p.m. on October 9. Starting Saturday, October 10, 1981, this unit's Lockbox mail will be available at the New Downtown Station.

The issuance of keys to Lockboxes at the New Downtown Station will be at the Caller Service Window from 8 a.m. to 5 p.m. on October 10-12. Customers may exchange one or two old keys for the same number of new keys. If additional keys are needed, they will be

ordered. Effective October 10, the telephone number for the New Downtown Station will be 333-5135.

Mallard Creek **Barbecue Will** Be Big Feast

The 52nd annual barbe-cue for the Mallard Creek Presbyterian Church will be held Tuesday, October 22, at the Mallard Creek Church Community House on Mallard Creek Road about seven miles north of downtown Charlotté.

For this major church fundraising activity, volunteers plan to cook over 12,000 pounds of pork barbecue, prepare 900 gallons of brunswick stew, make 400 gallons of applesauce, wrap over 8,000 sets of eating utensils, prepare several 60-gallon vats of coffee and provide parking and traffic control for thousands of vehicles.

Known as the "grand-daddy of the barbecues" two serving lines and two take-out box lines will supply the dinners.

Each year congregation members prepare arrangements of fruits and vegetables at the head of the serving line, and deck out the barbecue grounds with

banners. Flowers, pumpkins or fall leaves will decorate each table.

Plates will cost \$3.50.

PREDICTIONS

EAST AT WEST

East is East and West is West and never the twain shall meet. In this case it is unavoidable. Both teams are having discouraging seasons. The home team advantage is good for six points. West by 6. INDEPENDENCE AT OLYMPIC

The Trojans could be in first place if it wasn't for fumbles, and interceptions are at key moments. A pass at the two yard line cost the team a possible win over Harding. The Patriots have lost one now. They are vul-nerable to the Trojans passing attack. Olympic by

Black Caucus Tells Blacks To "Organize"

Continued from Page 1 budget?"

Describing in more detail the effects of the cuts upon the black elderly, Dr. Davis-Wong said, "They will pay higher rents, higher out-of-pocket medical costs, get fewer food stamps. Energy subsidies have been slashed and weatherization programs

eliminated. The elderly will face the reality of eating or freezing. Clearly, we must organize and turn this around, otherwise we may actually see older people die from malnutrition, lack of heat, or lack of health care.'

ORGANIZING FOR CHANGE

'Already the administra tion responded to pressure from seniors. President Reagan back-tracked on his original intention to cut the minimum monthly Social Security benefit, and agreed to save the \$122 monthly minimum for current enrollees. This is a small victory, but indicates that organized strength works," Dr. Davis-Wong said. And encouraged the audience to join NCBA to help organize black elderly citizens.

Congressman Ford, a ranking member of the House Committee on Aging, went further and interupted the agenda of the workshop to praise NCBA's efforts during the past decade, "The National Caucus and Center on Black Aged has been the

only aging organization de-voted exclusively to solving the problems of black elderly. I urge you to join, and to call NCBA's war free number (800-424-9566." Repeating his strong appeal and the toll-free number several times, Congressman Ford emphasized, "NCBA is a watchdog for the black elderly, I

this strong voice alive." Congressman Ron Dellums (D-California) added his support for organizing pressure. "In the first budget, the President said we're going to cut 3 million people who receive minimum Social Security benefits, then he changed his

a month," he told NCBA. "Why did he do that? Because millions of people stood up and challenged the President, that's why!'

In announcing NCBA's current membership drive, Dr. Davis-Wong told the group, "We have never talked membership before, but there are four million urge you to join and keep black elderly out there who need to speak collectively through NCBA. The path to strong advocacy is a strong, organized member-ship, I urge you to call and join today.

Information on NCBA is available by calling the national headquarters toll-free 800-424-9566.
