"In The Days Of Noah"

By J. M. Little

In our last study we pointed out that the SONS OF GOD in Genesis 6 were fallen angels who came among the human race and further corrupted the human race by marrying women and producing a monstrous offspring, half angel and half human. It was this wickedness that helped ripen sin for God's judgment to fall. Judgment cannot fall until sin is fully ripened. Friends, the Lord said, "And as it was in the days of Noah so shall it be also in the days of the Son of man." We are very near the Second Coming of the Lord. Now someone will ask the question; "Bro. Little, do you mean that across the world today, fallen angels are again cohabiting with women of the human race and producing an offspring that is half human and half angel?" Yes, I mean exactly that. There are too many strange things happening around the world that go far beyond just mere man. I've had reports of men fighting over dead bodies. And someone brought me this report that took place in Washington, D.C. many years ago; a man worked with an undertaker, at the close of the business day they left as usual. Later, in the early part of the night, the worker drove back by the office and saw a light on, making a personal investigation, he found his boss inside carrying on a sex act with a corpse. Unbelievable? I believe my source of information. Then some years ago I read in a report that the mysterious Ms. X has been known to fight over dead bodies. Just as it was in Noah's day, there are persons walking the face of the earth not completely human. Just think, at this very moment there are persons walking the streets of Charlotte, Washington, New Orleans, Moscow, Peking, Tokyo, London and Johannesburg, and all around the world, that are

half human and half angel. "And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually." (Gen. 6:5). This great wickedness was angels cohabiting with women. Here in Scripture on the TOTAL DEPRAVITY of man. The soul who goes astray on total depravity, goes astray on all other doctrines in the Word of God. The reason you religious folks are in disagreement with me is because you have never been under Holy Spirit conviction where every elect sinner is taught his total depravity. No! I'll not compromise the truth for you! You'll come down in repentance seeing what a hell-born, hell-bent, hell-deserving, and hell-bound sinner you are before you ever get to Christ. I'll stake my eternal destiny on it. I've had all the major religions of the world, was baptized, Bro. Baldwin, at an early age, none of those religions

filled the emptiness of my heart, I knew something was missing, but I did not know what it was. And I didn't know what it was that was missing until the blessed Holy Spirit awakened me to my lost condition. That's what you religious professors have missed. That's why you don't understand me. You know nothing about being awakened to the face of your lost condition. All you know is a religious profession and water baptism. You know nothing about seeing your lost, ruined and helpless condition under the awakening work of the Holy Spirit. When the Lord looked down and saw the great wickedness of man and that the thoughts of man's heart were evil continually, what did God do? "And it repented the LORD that he had made man on the earth, and it grieved him at his heart." (6). Did you get that? Here was the True and Sovereign God of the universe repenting and grieving that He had made

man. Unitarian, infidel, religious professor, if you had one ounce of spiritual sense you'd know that man is totally depraved, so depraved that when a baby is born it ought to be cast into Hell right then. Now you will disagree with me on that, but I'm giving you something to think about.

Have you ever been walking down the road on a hot day, about 95 degrees, then you come upon a dead dog, you stop and look at him and observe the flies on the dead carcass. Then you take a stick and jug in the dog, you stop and look at the maggots working by the thousands. What a filthy sight! Sinner! That's you by nature. That is I by nature. God calls man a worm, meaning a wiggling maggot, (Isa. 41:14). Standing there looking at those maggots in that dead dog, could you say there is some good in the worst of maggots? A thousand times no! Friends, that is man by nature, God says that about you. Then how can you say there is some good in the worst of men? Because you are blinded by Satan and your nature. Now you stay with me, I realize I'm telling you things you have never heard before. Listen as for eternity, you may be an elect sinner. May God help you. IN THE DAYS OF NOAH.
