

JOHNSON C. SMITH UNIVERSITY

Growing Strong Together with Charlotte
into the 21st Century

A JCSU degree opens the doors to success

The 1980's mark the dawning of a new age of information and a growing service industry. Johnson C. Smith University will prepare you for the challenges of the information age with its centers of excellence in computer science, business administration and communication arts.

For 117 years, Smith graduates have entered the job market with the confidence needed to succeed. Come grow with us, a family on the move in one of the South's most dynamic cities.

Contact the Office of Admissions for more information at (704) 378-1010 or by writing to: Office of Admissions,
