

Prophet's Column

"Woe: Anathema: Maranathema"

This is our third message on this subject. It is my prayer that the Lord will awaken you from the sleep of death you are in. For if not, one day soon you will be awakened from the sleep of death you are in, but without hope. Remember this: the greater the light, the greater the damnation. Hell and its punishments will be greater on Americans. Why? Americans have had more light than any nation under the sun. The Word has gone out all across this land, in print, over the radio, and person-to-person testimony. And, yet, America has never repented. America has waxed fat, that is, become proud, and turned away from God. Therefore, there is nothing left for America but the judgment of God for a Christ-rejecting and rebellious generation. Now that is so whether you believe it or not. Your infidelity does not change God nor His Word. You are at the disposal of a sovereign God. The quicker you realize that, the better off you will be. God does not need you. Some of these preachers have been preaching that God needs this individual or that individual. That is a misnomer. God has always been and always will be before He made the angels or Man, He existed. He didn't make the angels nor man because He needed them. He made them for His pleasure. If you never let saved God will still be God. When you are in Hell 10 million years from today, God will still be God. He doesn't need you, friend. You need Him. You are going to see your dire need of the Lord before the Lord saves you.

I realize what I am setting forth is not preached in our churches today. But I make no compromise! You'll repent and come to know my Christ or go to Hell. A man said to me years ago: "You may think you have the only truth." All right, brother, I don't think I have the only truth. I KNOW I HAVE THE ONLY TRUTH! There's only one TRUTH that will bless your poor lost soul for time and eternity, and that is the REVEALED CHRIST! Has Christ been revealed to your heart? If not, then you are not saved. And since you don't know the Revealed Christ, you go away saying Bro. Little is crazy. The natural man never has understood spiritual things and never shall.

To you who are laughing and making fun, I say: "Anathema, Maranathema!" The curse rests upon you. My Lord is coming. But for the grace of God, I'd be in the scoffing crowd on the road to Hell just like you. It is only the DISTINGUISHING GRACE of God that makes the difference. By nature, I'm the same as you. Christ makes the difference.

All the world knows that something drastic is about to happen. And men's hearts are failing them for fear, looking after the things coming upon earth. (Lk. 21:26). The reason our government leaders have fear in their hearts is because you do not know Christ as your Lord and your Saviour. If you believed the Word of God, you would not fear Russia. You fear Russia because you, like Russia, have turned your back on God, and like Pharaoh of old, you have asked the question: "Who is the LORD that I should obey Him?" Well, like Pharaoh, you will find out who He is under judgment if you don't repent. I read an article containing a statement by our President, Mr. Reagan, wherein he said he thought Armageddon had started when he learned of the killing of the 240 Marines in Lebanon. He also was quoted as telling someone later that he believed we

were in the end of the world as the Bible teaches. Yes, we are right down in the end of the age now. In just a short while, Christ will come. And His coming will signal the end of the "age." The reason the Middle East pot is churning as it is because the coming of the Lord is so near. Yes, our President is right when he says the end is near. And I say to the nation today: The Lord's coming is near,

even at the doors. Are you looking for Him? Preacher, are you looking for Him? Missionary leader, are you looking for Him? You in government, are you looking for Him? I am. Yes, I look daily for Him. His coming is my hope.

All the world knows something is about to take place. It's the coming of the Lord. When He was about to be born the first time, Satan knew He was coming. The great scientists are right when they say the world is very close to nuclear warfare. God gave

man the know-how to make the atomic bombs. His Divine purpose will be carried out in them also. You cannot stop the nuclear holocaust from coming. The only thing you can do is repent and turn to Christ. The awful TRIBULATION PERIOD will last for seven years. We've warned you about it and the pastor is warning you about it each Sunday morning at 7:30 over WAGI FM. You are a fool not to heed the Word of God. The judgment about the fall of this Christ-rejecting generation will soon be realized. This is 1984 on the American calendar. Christ said He was coming back in two days. A thousand years is one day with the Lord. The two days are almost up. We are very close to the end of another two thousand years. Every two thousand years, some worldwide event has changed the entire course of man's history, worldwide. There was the judgment of the flood at the end of the first two thousand years, then the coming of Christ in the flesh, (the 25th is not His birthday) marked the end of another two thousand years. Now, we are very close to the end of another two thousand years. The seven-year Tribulation Period will precede the Millennial Reign of Christ. So the seven year period will take place before the year 2000. We are very near His coming. Even so, come, Lord Jesus!
