

Hardy Is Finalist In "Little Miss North America" Pageant

By Teresa Simmons
Post Managing Editor

A B+ student at Chantilly Elementary School, Tiesha Hardy was recently accepted as a finalist in the Little Miss North America Pageant, the official preliminary to the National Little Miss North America Pageant to be held in Orlando, FL, in November.

The parents of Tiesha, Mary and Walter Hardy, sent in their daughter's photo plus information about her. "We stated that her favorite television show is "The Flintstones," that her ambition is to become a nurse and a few of her favorite foods and that she is very outgoing," stated Mrs. Hardy.

When asked why she wanted to become a nurse, Tiesha answered with a serious expression: "...for God and for people."

At six years old she already enjoys reading about dinosaurs. She enjoys playing and running and is a member of the Brownie Scout Troop No. 86.

In order to participate in the Little Miss North America Pageant, Tiesha needs only five or less sponsors to help her raise the \$150 entry fee. Only the first 60 respondents will be accepted for this pageant. The winner will receive \$1,000 in cash plus other prizes.

Tiesha is a member of Seigle Avenue Church of God where she sings on the Children's Choir and is a member of the Sunday School. She is looking forward to participating with young girls ages five to nine. Some of the main purposes of the pageant will be to help the young ladies develop stage presence, poise and confidence. Sue Kise is the State Director.

Tiesha plans to sing "Baby Face" during the talent section of the competition. Her grandparents are Mr. and Mrs. Lesley McNeill and Mr. and Mrs. James Hardy. She already has one sponsor: Charlotte Brake Clinic. If you would like to sponsor Little Miss Tiesha in this national pageant, call 376-0496 and ask for the Editorial Department.

"The attitude has been all-business," cited Stephen Darby, a graduating senior and starting line-backer from last year's team. "There are changes being made and some players being shifted to new assignments, but the overall spirit has been good. The players are making the adjustments."

Due to a new residence hall being built on the Sanders campus field, the practices have moved next to Brayboy gym. The track team has also been relocated. Workouts are held at West Charlotte High School's track.
