Give A Gift That Grows Sponsored By Students

Davidson - Davidson College student organizations and the Davidson community will sponsor a "Give a gift that grows" for Mother's Day.

Proceeds will go to plant trees in Haiti, the poorest nation in the Western Hemisphere. A \$5 donation will allow local Haitians to plant 50 eucalyptus seedlings (or to purchase 7,000 eucalyptus seeds). A \$10 donation will plant 100 trees.

Honorees will be notified of the gift. "Give a gift that grows" is an alternate giving project for the national organization, "Care of the earth." Money raised through the project will help to revitalize Haiti's environment, teach ecological concepts and provide jobs for Haitian people in nurseries.

Sponsoring student organizations are the Davidson eating houses, the Y Service Corps, the Davidson chapter of the national service fraternity Alpha Phi Omega, Davidson Public Interest Research Group (PIRG) and various community churches and organizations.

Tax deductible contributions can be mailed to "Care for the earth," c/o Ruth Pittard, P. O. Box 2284, Davidson, N.C. 28036.
