Mr. Charles, R.B.

..QUESTION: I have tried water based make-up for oily skin and it makes my face pasty or chalk-looking. Oil make-up makes my face too greasy. Can you help?

ANSWER: The answer is a highly refined water soluble oil-like mink oil in its purest form. This is what the House of Charles make-up is made with. For make-up you already have, buy a bottle of our refined mink oil from our counter. A few drops mixed in will do wonders.
