She was Miss Cheryl E. Phillips

### Miss Cheryl Elaine Phillips

### Weds Larry Maurice Littlejohn

Cheryl Elaine Phillips recently married Larry Maurice Littlejohn during a lovely ceremony held at Friendship Missionary Church.

Dr. Clifford A. Jones, pastor of Friendship, and Dr. R.B. Phifer officiated the wedding.

The bride was resplendent wearing a long elegant gown of silk taffeta. The gown featured a basque bodice covered with ribbon lace adorned with seed pearls with a sheer yoke victorian neckline. The gown's skirt was bordered with schiffli lace and a cathedral length train with a center panel of ribbon lace completed the attire.

Vickie Phifer, the maid of honor, the bridesmaids and junior bridesmaid all were outfitted in intermezzo length dresses of lavender taffeta with an overlay of embroidered organza. The gowns were designed with scoop necklines, cap sleeves and a lavender sash adorned the fitted waist.

The bridesmaids included Teresa Hasty, Teresa McNair, Marilyn

### Rachel Granger

Continued From Page 1A  
year-old Unica. "My mother has taught me things I didn't understand about the Bible and about how to live. She doesn't tell us what to do, but shows us how to live by the Bible. I appreciate that because some people don't have the knowledge of what you are supposed to do. My mother knows what to say at the right time."

Ms. Granger's favorite entertainer is Leon Patillo. "I think his music gets the message over to the young people. His music is the type most young people would listen to because all of it's not slow."

Letting life's apparent rough edges conquer her is not a part of Ms. Granger's life. Instead she has anchored her faith in the Supreme Being and continues to express her desire to be a Christian conquerer.

Black Lawyers Association, the Black United Forum, and the Cabarras County Chapter of the NAACP.

Musical selections will be interspersed throughout the program. The closing prayer by Dr. J.B. Humphrey, pastor of Friendship Baptist Church West, will follow the singing of the Negro National Anthem, "Lift Every Voice and Sing."

## 50,000 Americans Die In Automobile Wrecks Each Year

If car wrecks were a disease, Americans would demand a vaccine to prevent them. About 50,000 Americans die in auto wrecks each year, and another million suffer serious injuries. It has been estimated that the average American has a one-in-three chance of being disabled in a car accident during his or her lifetime.

The North Carolina Medical Society says there is a painless, inexpensive, and simple way to reduce the grisly effects of car accidents. Wear safety belts.

During a collision, safety belts prevent passengers from receiving the full force of the impact and they distribute the force of the impact across the strongest parts of a person's body. Safety belts help the driver maintain control by keeping him or her behind the wheel. This reduces the risk of further collisions.

Here are some other points to consider:

— Most traffic accidents occur within 25 miles of home during good weather and on dry pavement.

— Being thrown from a car makes you 25 times more likely to suffer fatal injuries during a crash.

— Crashes involving fire or submersion account for less than one-half of one percent of all accidents. Being tossed about without a safety belt increases your chance of being knocked unconscious or being injured so that you cannot escape.

Last but not least, remember North Carolina law requires that parents provide safety seats for very young children and infants.

### Family Outreach

The Family Outreach and Counseling Center, Inc. a non-profit family counseling center, is sponsoring an "Old Fashion Weiner Roast and Black Pot Fish Fry," August 25 at Tom Hunter and Hidden Forest Drive, from 11 a.m. till 9 p.m.

Proceeds will be used to provide scholarships for families.
